The Gies College of Business at Illinois is a world leader in research, teaching, and public engagement. In 2020, the Gies iMBA program was named one of the top-ten "Biggest B-School Innovations of The Decade" by Poets and Quants. The college has also become a leader in experiential learning. Gies provides the environment and resources that foster meaningful actions, empower students to make their mark, and put their purpose into practice – to make the world a better place. Gies Business is committed to being a model for a diverse, equitable and inclusive community, being actively anti-racist, helping the next generation of business leaders do the same, and engaging the public and our corporate partners in these efforts. We are interested in candidates who will bring excellence to campus via outstanding research, teaching, and service.

The Department of Finance at the University of Illinois, Urbana-Champaign has an opening for specialized faculty. We are interested in candidates who will bring excellence to campus via outstanding research, teaching, and service. Specific areas of teaching needs include real estate, risk management, financial management, and derivatives. A background in data science or experience in applying financial data analytics in the above contexts would be highly desirable. Successful candidates must have at least 5 years of experience in senior leadership positions in the financial sector, and/or demonstrated excellence in teaching at undergraduate and professional graduate degree programs at an accredited institution.

The University of Illinois is an Equal Opportunity, Affirmative Action employer that recruits and hires qualified candidates without regard to race, color, religion, sex, sexual orientation, gender identity, age, national origin, disability or veteran status. For more information, visit http://go.illinois.edu/EEO.

SPECIFIC DUTIES, RESPONSIBILITIES AND MINIMUM QUALIFICATIONS

Clinical Professors/Teaching Professors/Lecturers/Instructors are expected to teach at the graduate and undergraduate levels and engage in activities that maintain faculty qualifications under AACSB guidelines. This may include research for some positions.

**Clinical faculty** draw on specialized knowledge gained from professional practice. Responsibilities can include delivering an effective and engaging classroom experience, engaging in applied or experiential work that leverages specialized practices in fields the department deems relevant, and publicly engaging with current and potential partners on campus and within the larger business community. Candidates must have at least a masters or equivalent degree and extensive professional experience.

**Teaching faculty** deliver an effective and engaging classroom experience, publish on topics related to business pedagogy, and engage in related pedagogical activities to make both an instructional impact and a curricular impact within and beyond the department. Candidates must possess a PhD or equivalent terminal degree.

**Lecturers** deliver an effective and engaging classroom experience and support the department through service responsibilities. Candidates must possess a PhD or equivalent terminal degree.
Instructors deliver an effective and engaging classroom experience and support the department through service responsibilities. Candidates must have at least a master’s degree or equivalent degree and some professional experience.

**SALARY:** Salary will be commensurate with rank and experience.

**APPOINTMENT STATUS:** This position is a 9 month appointment that may be full-time or adjunct dependent upon programmatic needs.

**PROPOSED STARTING DATE:** August 16, 2023.

**APPLICATION PROCEDURES**
For full consideration, please create your candidate profile at [http://jobs.illinois.edu](http://jobs.illinois.edu) and upload your required documents, including cover letter, curriculum vitae, teaching statement, course evaluations and the names and email addresses or phone numbers of three professional references. Applications should be submitted by April 30, 2023. In your cover letter please state which rank you are applying for. Interviews may take place and offers may be made before the closing date, but all applications received by the closing date will receive full consideration for an open position.

For further information regarding application procedures, you may contact Maureen Dahl at mdahl@illinois.edu.

The University of Illinois conducts criminal background checks on all job candidates upon acceptance of a contingent offer.

As a qualifying federal contractor, the University of Illinois System uses E-Verify to verify employment eligibility.
