TRAVEL AND RESERVATIONS

The northern end of Captiva Island is the South Seas Resort. A trolley service transports guests throughout the entire two-mile complex and its numerous beaches. The property has a diverse assortment of lodging categories, including hotel rooms and one, two and three bedroom condos scattered all over the property. All of our meetings, daily continental breakfast and luncheons are at the south end of the property, while some social events may be at the north end, weather permitting. The best lodging values are the one bedroom Bayside Villa condos, most with water views. These units and the Tennis Villa condos are very close to our meeting rooms and are available at \$125/night plus \$8/person resort fee and 9% tax. The resort fee covers trolley service, beach chairs and towels, fitness center, daily newspaper, and toll-free telephone number access. If you wish to book one of these condos, you need to do so immediately as available inventory is limited and many are already booked. Deluxe Harbourside Hotel rooms at the north end of the property, all with water views, are also \$125/night. In addition, we have reserved Beachfront Villa condos with one bedroom units at \$200/night, two bedroom units at \$325/night and three bedroom units at \$380/night. The ocean front condos are the ultimate tropical resort experience with lanais overlooking the beach and the Gulf. Memorable sunsets are guaranteed. Two bedroom Tennis Villa condos at \$220/night and three bedroom Bayside condos at \$300/ night are also available. These are deeply discounted rates that will sell out fast. Please call 888-707-7888 or fax 239-481-4947 to book your accommodation. Be aware that you must book your reservation by March 19, 2004.

Southwest Florida International Airport is approximately a one hour drive from Captiva. If you are driving, follow signs to Sanibel Causeway. There is a \$3.00 toll for the Sanibel Causeway. HARES rates can be booked by calling 888-707-7888 mentioning meeting #02EL0004. Delta International offers overseas meeting airfares. Call 800-451-9999 meeting #197219A. Apple Transport offers shuttle service from the airport to Captiva. The one way fare for three passengers. For three traveling together the fare is only \$18 per person.
