The Sheldon B. Lubar School of Business at the University of Wisconsin-Milwaukee invites applications for a full time Lecturer position (non-tenure track) in Real Estate to commence in Fall 2020.

The qualified candidate will possess a Ph.D. Degree in Business or closely related field specializing in Real Estate or an allied area. Required qualifications also include an active research pipeline in the area of Real Estate and a strong interest in teaching courses in Real Estate. Preferred qualifications include prior teaching experience in Real Estate and any prior engagement in the Real Estate business. Preference will also be given to candidates who possess excellent verbal and written communication skills as evidenced in teaching evaluations, along with an ability to work collegially and collaboratively within the University and business community.

The primary responsibilities in this position will be to provide teaching excellence for a three-course load or its equivalence for all academic semesters in Real Estate at the Lubar School of Business as well as maintaining an active research pipeline for AACSB accreditation. Additionally, the selected candidate will contribute to the mission of the Lubar School by serving as the director of the real estate program. In this role, the individual selected is expected to develop a curriculum for the real estate specialization in the planned undergraduate general business degree, engage with employers, as well as mentor, and advise students. The lecturer will also provide service to the area, School, and University.

Candidates seeking consideration must apply at http://jobs.uwm.edu/postings/29955 and submit application materials electronically to include: cover letter, curriculum vitae, list of courses taught and teaching evaluations. Also provide a list of three references with contact information to include postal addresses, e-mail, and telephone numbers with your application. Initial review of applications will begin March 20, 2020 and will continue until the position is filled. However, applications received after March 19, 2020 may not be reviewed.
