RULES AND REGULATIONS

1. **EXHIBIT INSTALLATION AND BREAK DOWN.** Installation of exhibits will take place on Wednesday, January 9, during the hours specified in the exhibitor contract documentation. Late exhibits will not be allowed to set up during exhibit hours. Only exhibitors and show staff will be allowed in the exhibit hall when the show is not officially open. Exhibitors may sell materials from their booth, but all material must remain in the booth until the close of the show! All exhibits must be dismantled and removed from the building by 3:00 P.M. Friday, January 11. A representative must remain with the booth from the beginning of break down (12:00 noon on Friday) until all exhibitor material is completely removed from the convention floor.
2. **BOOTHS.** Booths are 10' wide x 10' deep with 8' high back drape, 3' side rail drapes, an exhibitor name sign, 1 table, and 2 chairs. Any additional equipment such as tables or carpets can be secured from Sunbelt Convention Services at exhibitor's expense.
3. **CONTRACT FOR SPACE.** The application for space and the formal notice of assignment constitutes a contract for the right to use the space allotted. In the event of fire, strikes, or other uncontrollable circumstances, this contract will not be binding. The AGIA reserves the right to cancel with any exhibitor any time prior to or during the conference.
4. **USE OF SPACE.** All demonstrations, interviews, distribution of advertising materials, or other activities must be confined to the limits of the exhibit booths. No exhibitors shall assign, sublet, or share the whole or any part of the space allocated without the knowledge and approval of the AGIA. Booth contents should be within the confines of the space that you have reserved.
5. **INSURANCE AND FIRE PROTECTION.** The AGIA and Hot Springs Convention Center will exercise all reasonable care for the protection of exhibitor's materials and displays. Exhibitors wishing to insure their goods must do so at their own expense.
6. **CANCELLATION.** Deposits (which are 1/2 of payment due) are non-refundable. The remaining balance is refundable through October 31, 2018. **Payments are non-refundable after that date.** In the event that a natural disaster such as an ice or snow storm, flood or tornado occurs, or in the event that a catastrophic event such as but not limited to acts of terrorism, airport closures, etc. occurs which cause the show to be cancelled, exhibit fees are non-refundable.
7. **LIABILITY.** The exhibitors agree to make no claim against the AGIA, its members, employees, or the Hot Springs Convention Center or their representatives for loss, theft, damage or destruction of goods, nor any injury to oneself or employees prior, during, or subsequent to the period covered by the exhibit contract; nor any damage of any nature whatsoever including any damage to one's business by reason of failure to hold the conference as scheduled. The exhibitor, upon signing the contract for exhibit space, expressly releases the previously named sponsoring Association and individuals from any and all claims of such loss, damage, or injury.
8. **RESTRICTIONS.** The AGIA reserves the right to restrict exhibitors' (because of noise) method of operation, or any other objectionable reason, and also to prohibit or evict any exhibit which, in the opinion of the Executive Committee of the AGIA, may detract from the general character of the show. This restriction includes conduct, printed materials, or anything of a character which may be objectionable to the exhibit as a whole. In the event of such restrictions or eviction, the AGIA is not liable for any refunds or rentals or other exhibit expenses. All giveaways must be available to everyone in attendance. Any person or persons who fail(s) to reserve an exhibit space and who persists in soliciting in any manner during the show and related activities may be ejected from the premises.
9. **CARE OF BUILDING AND BOOTH.** Exhibitors or their agents shall not injure or deface the walls or floors, carpets of the building or booths. No signs or any other materials or articles shall be nailed, screwed, taped, tacked, stapled, or otherwise attached to the walls or floor. Heavy equipment is not allowed in the show but will be placed in outdoor demo area. Also: no spray painting; no taping to walls; no double faced tape; no helium balloons; no propane. When any damage appears, the exhibitor is liable to the AGIA and Hot Springs Convention Center.
10. **REGULATIONS.** These regulations become a part of the contract between the exhibitor and the AGIA. They have been formulated for the best interest of both parties. The AGIA asks the full cooperation of the exhibitors in their observance. All points not covered are subject to the decision of the Executive Committee. The Executive Committee reserves the right to make changes necessary to the best interest of the meeting.
11. **SHOW MANAGEMENT.** The show manager reserves the right to increase or decrease the size of the layout based on exhibitor participation. In the event of a change in the layout, the vendor will be notified immediately.
