ARMA International Survey

Are you looking for feedback from records managers for new product development? Do you want to create a stir about a new product launch? Do you need feedback from our members about how your product is being perceived in the industry? Choose to host a survey or co-host with ARMA International. We provide the push out to the members, and we drive the participants to your survey tool. Call 888.277.5838 for pricing and to schedule your survey today!
