

## Association of Records Managers and Administrators Day

The Association of Records Managers and Administrators (ARMA)-Houston Chapter has been in existence for 47 years. They currently have 450+ members and are the largest chapter in the world for ARMA International. The ARMA-Houston Chapter provides support and members for a variety of companies, 22 of which are listed on the Fortune 500 and include the energy, food distribution, air transportation, and waste management industries. ARMA strives to provide support for the widely divergent business needs of our membership and to make the latest Records Information Management (RIM) resources and information available to all of its members.

The Houston Chapter of ARMA participates in community projects such as Act for 8, Highlighting Literacy, Ronald McDonald House, Greater Houston Blood Drives, Houston Symphony Records Restoration, Texas Medical Center Records Restoration and many more. Its membership also pulls from energy related businesses within the legal and financial community with the healthcare industry representing another major element of the Houston area economy.

On April 8, 2008, the Houston Chapter of ARMA is being recognized for its outstanding contributions to the Houston community. The City of Houston salutes and commends the Houston Chapter of ARMA on this important occasion, and extends best wishes for continued success.

Therefore, I, Bill White, Mayor of the City of Houston, hereby proclaim April 8, 2008, as

## Association of Records Managers and Administrators Day

in Houston, Texas.

In Witness Whereof, I have hereunto set my hand and have caused the Official Seal of the City of Houston to be affixed this 3<sup>rd</sup> day of April, 2008, A.D.

*Bill White*
