Complete a submission for ARNOVA Awards/Scholarships

1. On the platform homepage of the respective award/scholarship, click on **log in**, located at the upper right corner of the page.

2. Click on "Need to create an account?" under the login information in the pop-up window.
3. To create your account, you will need your name, email address, and password. Keep in mind that the submissions platform is NOT connected to your membership account. You will need to create an account for each type of award or scholarship. You can, however, use the same email and password for each type of submission.

4. Once you start your application, you can save it anytime during the process and retrieve it by just logging into your account. You can also withdraw or edit an application any time before the deadline. To see your applications, click on “My submissions” at the right corner of the page, under the log in/log out option.

Scroll down to see your submission for that particular award/scholarship.
NOTE: If you are planning to submit more than one of the same type of award/scholarship (E.g. Book Awards, Proposed Research Awards or Doctoral Fellowship Program) you will need to create only one account. E.g. If you submitted a nomination for the Outstanding Book in Nonprofit and Voluntary Action Research, you could use the same link and account to submit a nomination for the The Peter Dobkin Hall History of Philanthropy Book Prize.

In other cases, if you submitted a nomination for the Outstanding Book in Nonprofit and Voluntary Action Research and want to apply for the RGK-ARNOVA President’s Award, you will need to access the specific link of Proposed Research Awards and create a new account for that submission.
