Complete a submission for ARNOVA’s Awards/Scholarships

1. Click on the submit button of the award/scholarship you are applying to.

2. You will see a log in pop-up window. Click on "Need to create an account?" under the login fields.
3. To create an account, you need your name, email address, and password. Keep in mind that the submissions platform is **NOT** connected to your membership account, which means you need to create an account even if you already have a membership account.
   - **You will need to create an account for each type of award or scholarship.** You can, however, use the **same email** and **password** for each type of submission.

4. Complete the submission form. You can either submit it or save it anytime during the process.

   - To manage your saved or submitted forms, log into your account. Keep in mind you need to go to the platform of the **specific award/scholarship** you want to modify. You can **withdraw** or **edit** an application any time **before the deadline**.
   - To see your applications, click on “**My submissions**” at the right corner of the page, under the log in/log out option.

   - Scroll down to see your submission for **that particular award/scholarship**.
5. Once you submit your application/nomination, you will get a confirmation code and email. You may need to check your spam folder.

**NOTE:** If you are planning to submit more than one form of the same type of award/scholarship (E.g. Book Awards, Proposed Research Awards or Doctoral Fellowship Program) you can use the same account you already created. E.g. If you submitted a nomination for the Outstanding Book in Nonprofit and Voluntary Action Research, you could use the same link and account to submit a nomination for the The Peter Dobkin Hall History of Philanthropy Book Prize.

In other cases, if you submitted a nomination for the Outstanding Book in Nonprofit and Voluntary Action Research and want to apply for the RGK-ARNOVA President’s Award, you will need to access the specific link of Proposed Research Awards and create a new account for that submission.

Ready to submit? Click [here](#) to see all awards and scholarships.
