

# 2021 RECYCLING AWARDS

**ROADS&BRIDGES | ARRA**

The **2021 *Roads & Bridges/ARRA Asphalt Recycling/Reclaiming Awards*** honor the top asphalt road recycling projects in North America.

**Share your project with its unique challenges and you could be a 2021 winner.**

All nominations are reviewed by the *Roads & Bridges* editorial staff and ARRA's executive committee. Top projects in the following categories will be determined:

- Hot In-Place Recycling
- Cold In-Place Recycling
- Full-Depth Reclamation

**Submit your project today: <https://www.roadsbridges.com/form/recycling-nomination>**

The *Roads & Bridges/ARRA Asphalt Recycling/Reclaiming Awards* recognize recycling projects. They are separate and distinct from ARRA's Annual Excellence in Recycling Awards to public agencies and consulting engineers. To qualify, projects must have been in the design or construction phase over the past 18 months. Past winning projects are ineligible.

**Entry Deadline: November 6, 2020**
