“The benefits flowing from the partnership between Arizona and Sonora are limitless—new foreign investment and new companies relocating to the region, job growth, increased tourism revenues, access to centers of commerce and health care services, educational/civic/community exchanges, and reduced poverty. I am looking forward to the upcoming Community Town Hall obtaining input from a larger group of Sonorans and Arizonans.”

- Patrick Welch, Member, Jennings, Strauss & Salmon, P.L.C.

“The 108th Arizona Town Hall was an eye opening experience that explored how best to leverage economic ties and develop partnerships between Arizona and Sonora for the benefit of the region. I am excited to share the Town Hall experience with my fellow Sonorans in an effort to further explore this important regional topic.”
