

Colon Cancer Screening Can Saves Lives!

Join the American Cancer Society in saving lives from colon cancer by taking the pledge to help screen 80% of our community by 2018. Check one below.

I am not regularly screened for colorectal cancer, so I pledge to talk with my doctor about what option is best for me and will get screened.

If you'd like a text reminder to schedule your appointment:

First name: _____ Last name: _____ Mobile #: (____) _____

I am under 50 years of age, but I pledge to encourage a friend, coworker, family member or stranger to get screened for colon cancer.
