

ACCOMMODATIONS

The ASCA has reserved a room block for convention attendees. Room rates are \$145.00 plus tax per night (single/double). Please be sure to make your reservation as soon as possible by calling 334-481-5000. **Remember to request the Alabama State Chiropractic Association rate.** The official hotel of the ASCA Convention is the Renaissance Montgomery Hotel and Spa; 201 Tallapoosa Street, Montgomery, AL 36104. **For a link to online hotel reservations go to www.ascachiro.org.**

CANCELLATION POLICY

We understand that unexpected events can sometimes force a registrant to cancel. It is the policy of the ASCA that all seminar fees are non-refundable. However, we will issue a credit for all fees paid for a future seminar for you or your staff to be used within a two year time frame.

MEALS & EVENTS

PRESIDENT'S WELCOME RECEPTION

Following classes on Friday, 6:00-7:00 pm, join your peers and generous exhibitors for a cocktail reception right in the exhibit hall! Enjoy hors d'oeuvres and a cash bar while you mingle with your fellow chiropractic professionals and the vendors who help make our convention a success.

ANNUAL MEETING LUNCHEON

Calling all ASCA Members! The ASCA Annual Meeting Luncheon will be Saturday 10:45 am - 12:30 pm. This will be your opportunity to learn about the ASCA's achievements over the past year and hear about our plans for the future. Join us for a delicious lunch while we talk shop. We will also be electing the new ASCA officers and voting on ASCA annual award winners. To nominate someone for an award, visit the ASCA website to download the official nomination form. The deadline for nominations is May 23, 2018. **You MUST pre-register for the Annual Meeting Luncheon before May 23 to attend!** All ASCA members are welcomed. Only those who pre-register will be served lunch.

ANN DUNAWAY WOMEN IN CHIROPRACTIC FORUM

The ASCA is proud to host this 4th Annual networking event exclusively for our women chiropractors! We would like to acknowledge and celebrate the phenomenal women of chiropractic, who are leaders in their community and continue to make a difference in the lives of others.

Please join, Dr. Ann Dunaway, first female president of the ASCA, whom this forum was created in honor of, at the Annual Ann Dunaway Women In Chiropractic Forum for an opportunity to connect with, empower and inspire your fellow female DC's. Refreshments will be served.

CHIROPRACTIC NIGHT AT THE BALL PARK!

Take me out to the ballgame! You can end the day Saturday with the excitement of Montgomery Biscuits baseball, a AA Minor baseball team in Montgomery! The ASCA will be taking over The Whistle Stop Grille, a private picnic area transformed with a backyard barbecue feel. Nestled in the seating along the third base line, it's secluded enough to feel intimate and close enough to make you feel like part of the action. Tickets can be purchased for \$40.00 per person which includes dinner and your ticket into the ASCA private pavilion and a Fireworks extravaganza after the game! The stadium is within walking distance of the convention hotel.

2018 CONVENTION & EXPOSITION

JUNE 8 - 10 RENAISSANCE MONTGOMERY HOTEL & SPA, MONTGOMERY, AL

To make your convention experience even more worth it, we have planned plenty of extra activities for you to network with leaders in the field and connecting with friends and colleagues.

ASCA is honored to host the only Chiropractic Expo in Alabama.

We are sure you will love this year's winning combination of talented speakers and tantalizing topics. Earn up to 18 hours of continuing education credit all in one weekend!

THE ALABAMA STATE
CHIROPRACTIC
ASSOCIATION

DC EDUCATIONAL PROGRAMS

FRIDAY, JUNE 8, 2018

Noon - 6:00 pm (6 CE Hours) CPR/AED for Professional Rescuers & Health Care Providers

Dr. Gayle Bush

Provide the care your patients need, when they need it most. As part of a commitment to support safer communities, and support you in all that you do, this CPR for healthcare providers is what you need! Through these courses you'll be able to keep you up to date on the latest techniques, so you can maintain certifications and deliver the best possible care to your patients. A breathing barrier will be required to take the certification test and will be available to purchase at the seminar for an additional cost.

SATURDAY, JUNE 9, 2018

8:30 am - 10:30 am (2 CE Hours) Alabama Law
Alabama State Board of Chiropractic Examiners

This will be a practical discussion of Alabama Rules, Regulations and Laws. This session has been approved to fulfill the annual Jurisprudence Requirement of the Alabama State Board of Chiropractic Examiners.

1:00 pm - 5:00 pm (4 CE Hours) Medicare Bootcamp for the Chiropractic Office
Mario P. Fucinari, DC, CCSP, MCS-P, MCS-I

You have taken all the classes, but the rules have changed again! Late last year, CMS and Local Carriers changed the documentation rules and regulations for Medicare. See how these changes are being implemented in all carriers of insurance reimbursement. These significant changes will impact the chiropractic office and the way you practice! Dr. Mario Fucinari, is uniquely qualified as one of the few instructors still in full-time practice! In his back-to-the-basics approach, Mario whittles a difficult subject to an understandable and interesting comprehension of the requirements. This class is designed for everybody; doctors, staff and billers will gain useful information! Dr. Fucinari's classes combine for a total of 8 CE hours by an NCMIC speaker which will qualify attending DCs for a discount on NCMIC insurance.

SUNDAY, JUNE 10, 2018

8:00 am - 11:00 am (3 CE Hours) Prevention of Medical Errors
Mario P. Fucinari, DC, CCSP, MCS-P, MCS-I

The Opioid Epidemic has resulted in increased risk in the chiropractic patients. It is imperative that chiropractors are aware of their patients' pharmaceutical side effects and the ramifications of their medical history. Neglect to communicate with the patient, appropriately refer, report, or diagnose specifically is a medical error. The goal of the course is to provide the chiropractor and their staff with an overview of the problem of medical errors, factors contributing to the occurrence of these errors, and steps that can be taken to reduce medical errors in key care settings. Sponsored by NCMIC.

11:00 am - 2:00 pm (3 CE Hours) Implementation Low-Tech Rehab
Mario P. Fucinari, DC, CCSP, MCS-P, MCS-I

This class will demonstrate and explain the benefits of rehabilitation while teaching the importance of the evaluation process in determining and designing a therapeutic exercise program including:

- Understanding the effects of deconditioning on the patient
- Learning how to evaluate core muscles for weakness
- Learning how to rehabilitate the body to correct postural faults and deconditioning
- Learning how to design rehabilitation programs for postural-related lumbar and cervical dysfunction
- Incorporating balance and coordination in rehabilitation techniques
- Having basic knowledge of how concentric and eccentric muscle action is affected with isokinetic exercises and testing
- Learning how to design a training program for all populations
