## PROGRAM SCHEDULE
*(Tentative Schedule)*

**Monday November 2, 2020**

<table>
<thead>
<tr>
<th>Time</th>
<th>Event</th>
</tr>
</thead>
</table>
| 1:00 - 1:50 PM | Introduction to Adhesive Markets & Technologies  
  *David Speth, Research Chemist, Evans Adhesives* |
| 1:50 - 1:55 PM | Break                                                                                     |
| 1:55 - 2:45 PM | Polymer Design for Adhesion: An Introduction  
  *Tim Long, Center Director & Professor Biodesign CSM3, Arizona State University* |
| 2:45 - 3:00 PM | Break                                                                                     |
| 3:00 - 3:50 PM | Rheology and Flow  
  *Terri Chen, Senior Applications Scientist, TA Instruments*                    |
| 3:50 - 3:55 PM | Break                                                                                     |
| 3:55 - 4:45 PM | Practical Surface Science  
  *Chris Wohl, Consultant*                                                           |
| 4:45 - 5:00 PM | Wrap Up Day 1                                                                             |
Tuesday November 3, 2020

1:00 - 1:50 PM Characterization Pt 1 – Mechanical, Physical, Thermal properties
Rochelle Miller, Senior Development Chemist, Henkel

1:50 - 1:55 PM Break

1:55 - 2:45 PM Hot Melt Adhesives
Tom Kauffman, Global Technology Manager, HB Fuller

2:45 - 3:00 PM Break

3:00 - 3:50 PM Waterborne Adhesives
Raj Hariharan, Senior Group Leader, Mapei

3:50 - 3:55 PM Break

3:55 - 4:45 PM Pressure Sensitive Adhesives
Lars Kilian, Senior Group Leader, Ashland

4:45 - 5:00 PM Wrap Up Day 2
Wednesday November 4, 2020

1:00 - 1:55 PM  Reactives & Durability  
*Dmitriy Salnikov, Senior Product Development Specialist, 3M*

1:55 - 2:00 PM  Break

2:00 - 2:45 PM  Sealants  
*Jay Johnston, Senior Scientist, Covestro*

2:45 - 2:55 PM  Break

2:55 - 3:40 PM  Biobased Adhesives  
*Ramani Narayan, Fellow, MSU*

3:40 - 3:45 PM  Break

3:45 - 4:30 PM  Automated Adhesive Dispensing  
*Larry Saidman, Chief Technologist, Nordson*

4:30 - 4:40 PM  Wrap Up Day 2 and lead to Breakout Groups

4:40 - 5:30 PM  DAY 3 Break-out sessions
