

2019 ASC INNOVATION AWARDS

SPONSORSHIP OPPORTUNITIES

ABOUT THE AWARDS PROGRAM

The ASC Innovation Awards Program is designed to recognize innovation in adhesive and sealant product developments. These awards identify significant impact chemistries that contribute to downstream industries unmet needs and advancements in technology.

The award is intended to foster and encourage innovation across the Adhesive & Sealant Industry. Raw material suppliers, manufacturers and academics focused on adhesives and/or sealants can submit for the award as well as collectively.

THE AWARDS

There is one award for 2019 and it will be awarded at the ASC Annual Spring Convention April 8-10, 2019, in Philadelphia, PA. ASC will also recognize two runners up at the Convention.
