

PA ASCP Education Day

September 14, 2019

DeNunzio's Italian Trattoria
2644 Mosside Blvd.
Monroeville, PA 15146

Join **Pennsylvania ASCP** for a full day of educational offerings to expand your professional practice. This year's meeting will be conveniently located near Pittsburgh in Monroeville, PA with lodging available nearby.

This **PA ASCP Education Day** will provide **6 hours of required continuing education** on opioid stewardship, patient safety, and an immunization update. In addition to a national ASCP update, there will be the opportunity to network with colleagues and obtain information on new pharmaceutical products and technologies during the exhibit hall and product theater. Students are welcomed and will be sharing their research and chapter activities with practitioners during the poster hall exhibits.

Highlights

- Earn **6 hours of continuing education**
- Network with other senior care pharmacists, exhibitors, and other industry partners
- Clinical and applied topics to help advance your practice and obtain your **medication safety and opioid state required CE credits**
- Immunization Update to enhance your antimicrobial stewardship knowledge and address state required **immunization credits**
- Friday evening Product Theater dinner and more

Registration – On-line
