

**Justin Rash, PharmD, BCGP**  
(Director Region 3 Candidate)

Justin Rash, PharmD, BCGP is the Vice President of Clinical Services for Martin Health Services. His duties include overseeing clinical operations at Martin Health Services, which is a long term care pharmacy that services nearly 200 facilities and 10,000 patients from three locations in Iowa. Clinical operations include software utilization, tracking potential and identified adverse drug events, pharmacogenomics testing, growing a fully integrated transition of care program, and improving overall clinical pharmacist impact on patient care. He also maintains his practice as a consultant pharmacist serving around 400 patients in 8 facilities each month. Justin is a graduate of Drake University and has since received his Board Certification in Geriatric Pharmacy. He has involvement with association work that includes the American Society of Consultant Pharmacists as a member of the DEA Taskforce. Justin also works with the Iowa Pharmacy Association, including a former Board of Trustees Member, former Chair of the LTC/Senior Care Advisory Committee, serving on the Legislative Committee, and Leadership Conference Participant. He also works with the Pharmacy Quality Alliance and the National Community Pharmacy Association. Outside of his work in pharmacy, Justin serves on the Iowa Dementia Care Partnership and works with LTC organizations to help improve patient safety for patients residing in LTC facilities. His more recent awards include Drake University Young Alumni of the Year Award and Drake University Young Executive Leadership Council member.
