

How to Claim Credit

BCGP Pharmacists: To ensure successful transfer of BCGP credit, your **ASCP profile** must be updated with your correct **BCGP Credential Number** and BPS-IND# prior to course completion. *Please note, any edit/updates made to your BCGP credential information in your ASCP profile after course completion requires a re-push, please submit your completed transcript to education@ascp.com for a manual upload.

CPE & BCGP Credit: You must complete the exam and evaluation by the expiration date to receive credit. You have three attempts to achieve a 75% or higher on the exam. ASCP reports CPE attainment to ACPE and NABP via the CPE Monitor system. The course should be posted within 24-48 hours of evaluation completion. The participant is responsible for providing their correct date of birth (MMDD format) and NABP e-Profile ID on their member or guest profile on the ASCP Website.

CPE Only Credit: The course should be posted within 24-48 hours of evaluation completion. The participant is responsible for providing their correct date of birth (MMDD format) and NABP e-Profile ID on their member or guest profile on the ASCP Website.
