Dear Corporate Partners, Exhibitors and Sponsors,

It is my pleasure to invite you to join us in February 2024 for our 20th Annual Scientific Meeting in New Orleans, Louisiana. ASDIN is thrilled to be celebrating our 20th anniversary of scientific meetings and we welcome your presence and participation in this special edition of our meeting. Our Program Chairs, Dalia Dawoud and Saravanan Bala, along with a stellar Program Committee, are putting the finishing touches on an exceptional program, highlighting innovations and research in the field of dialysis access, helping us optimize processes of care for our vulnerable patient population. We had a spectacular meeting in 2023 and we hope to build upon our success by enhancing our offerings and audience engagement in 2024.

ASDIN will once again offer our multidisciplinary and multi-specialty programming with a focus on innovation, pearls of clinical practice highlighting technical solutions and practical tips from a panel of experts, research advances, and the business of access, centered around the patient perspective in each of these areas. As you know, ASDIN’s overarching mission is to provide patient-centered care and improve outcomes in dialysis access care. Our efforts to promote excellence have led us to establish ourselves as the leading organization in the field of dialysis access, and to collaborate and strengthen partnerships across the board. Your active sponsorship, corporate partnership, and participation as an exhibitor not only supports ASDIN’s Annual Scientific Meeting but supports the members and mission of ASDIN through the year and is much appreciated by all of us. This year’s meeting site offers inexpensive airfare and affordable accommodations in the heart of our host city, just steps from the famous French Quarter, and the chance to interact in person with our members and leadership.

As we celebrate 20 years of excellence, we hope you will join us in New Orleans in February for #ASDIN2024!
