AMERICAN SOCIETY OF DIAGNOSTIC AND INTERVENTIONAL NEPHROLOGY

ASDIN

22ND ANNUAL SCIENTIFIC MEETING
FEBRUARY 20-22, 2026

WDW SWAN | LAKE BUENA VISTA, FL

CHAIRS: RASHID SHARAF, MD, FASDIN
MOHAMED ALI SHETA, MD, FASN, FASDIN

The American Society of Diagnostic and Interventional Nephrology (ASDIN) is dedicated to promoting excellence in dialysis access care and improving the outcomes for patients with kidney disease.

We are thrilled to invite you to attend the 22ND Annual Scientific Meeting of ASDIN, which will take place in February 2026 at Walt Disney Resort Orlando. This premier event brings together a robust community of dialysis access professionals - including physicians, nurses, technicians, and other healthcare providers - united by a shared passion for improving patient outcomes through clinical excellence, research, and innovation.

Our meeting venue is within Walt Disney Resort in Orlando, providing ample opportunities for attendees to enjoy quality time with their families over the weekend.

This year's agenda will feature a dynamic and diverse lineup of sessions designed to inform, inspire, and connect. Our program Chairs, Dr. Rashid Sharaf and Dr. Mohamed Sheta, along with an outstanding Program Planning Committee, will lead the sessions.

Why Participate?

Engage with Decision-Makers

Connect with key thought leaders and clinical experts seeking cutting-edge products, services, and partnerships.

Showcase Your Innovations

Showcase your newest technologies and research in a focused setting that promotes dialogue and collaboration.

Elevate Your Brand

Enhance brand recognition among a targeted audience of nephrologists, vascular surgeons, interventional radiologists, and dialysis providers, all dedicated to improving dialysis access care.

Last year, we hosted over 400 attendees from 18 countries, making the ASDIN meeting one of the premier international gatherings focusing on dialysis access. This carefully curated program is designed to maximize engagement among attendees and create opportunities to collaborate toward our common goal of achieving excellence in dialysis vascular access.

EXHIBIT SET UP/DISMANTLE

Exhibits must be set up no later than 5:00 pm on Friday, February 20, 2026. Exhibits may not be dismantled prior to 10:30 am on Sunday, February 22, 2026. All booths must be dismantled by 2:00 pm on Sunday, February 22, 2026.

ASSIGNMENT OF SPACE

Every effort will be made to give exhibitors their first choice of location. Space assignment will be determined by the amount of exhibit space required, the exhibitor's participation in previous ASDIN meetings, partnership membership, and the date that the application was received. For best exhibit assignment, applications should be received before Monday, November 3, 2025. Applications received after this date will be assigned to the space remaining in order of receipt. ASDIN reserves the right to adjust the floor plan, relocate exhibits as necessary, after consultation with the exhibitors. Exhibitors may not assign, sublet, or apportion any part of the space allotted to them nor exhibit therein any other goods than those manufactured or sold in the regular course of business by the exhibitor.

LIABILITY

Exhibitors must surrender space occupied in the same condition as it was in at the time of occupancy. The exhibitor is responsible for all damages to the exhibit hall, and for any and all claims and demands on account of any injury or death or damage to property occurring in or upon the exhibitor's exhibit space or because of the acts of the exhibitor, his employees, servants, agents, licensees or contractors; and the exhibitor agrees to indemnify and hold harmless, ASDIN from and against all liability and claims and demands which may arise from or be asserted in connection with the foregoing undertaking and responsibilities of the exhibitor. Neither ASDIN, the hotel, their agents, nor employees, are liable for injuries to any person or for

damage to property owned or controlled by the exhibitor, which claims for damages or injuries may be incident to or arise from or be in any way connected with the exhibitor's agents, servants, contractors, or employees, except for claims for damages or injuries caused by or resulting from negligence of ASDIN, the hotel, and their respective agents, servants, and employees.

EXHIBIT LABOR

Exhibitors have the option of utilizing the Official Service Contractor, who provides quality union labor or personnel from their own companies to install and dismantle displays. Full-time employees of exhibiting companies may set their own exhibits. Any full-time company personnel involved should have visible identification of their company status when engaged in these activities.

FREIGHT HANDLING

All work involved in the loading and unloading of all trucks, trailers and common and contract carriers from the facility docks, including empty crates, and the operation of material handling equipment, is under the jurisdiction of Global Experience Specialists, Inc. Full-time employees of exhibiting companies may 'hand carry' what one person can carry in one trip, provided they do not use material handling equipment. When exhibitors do choose to 'hand carry' material, they may not be permitted access to the loading dock/freight door areas. Global Experience Specialists, Inc. will not be responsible for any material GES does not handle. All exhibitors are expected to comply with any union requirements in effect and as outlined in the "SHOW SITE WORK RULES" section of the Exhibitor kit.

GRATUITIES

GES work rules prohibit the SOLICITATION OR ACCEPTANCE of tips in cash, product or gifts in kind by any employee (union or non-union). GES employees are paid appropriate wages denoting professional status, therefore tipping of any kind is not allowed.

ALWAYS HONEST HOTLINE

GES requires the highest standards of integrity from all employees. Please call the GES confidential Always Honest® hotline at (800) 443-4113 to report fraudulent or unethical behavior.

HOSPITALITY ROOMS

Hospitality Rooms and Exhibitor events are desirable and add to our meeting. Such activities must be held at times when conference activities are not in progress and must be approved by ASDIN. Hospitality rooms may be hosted by exhibiting companies only.

FIRE SAFETY

All structural work must meet the requirements of the host city's fire department and all decorations must be flame proof.

HEALTH AND SAFETY

Exhibitors and their representatives agree to follow all CDC guidelines, state and local regulations, and event safety protocols in place at the time of the meeting. Exhibitors and their representatives will act responsibly and with consideration for the health and safety of others. It is understood and agreed that if any exhibitor representative intentionally or materially refuses to comply with these safety protocols, they will be required to depart the meeting. Exhibitors and their representatives voluntarily accept the inherent risk of exposure to communicable diseases that may occur with traveling to and participating in the ASDIN 22nd Annual Scientific Meeting and agree to not hold ASDIN or its representatives liable for any illness related to that risk.

CANCELLATION

Requests must be in writing and must be emailed to ifox@asdin.org. If written cancellation is received by January 9, 2026 exhibit space payments will be returned less a \$500 administrative fee. Cancellations after January 9, 2026 will forfeit all payments. Should any situation arise beyond the control of ASDIN to prevent opening, holding the conference, or the exhibit portion thereof, ASDIN may not be liable for any expenses or losses incurred by the exhibitor, except rental cost of the exhibit space.
