AMERICAN SOCIETY OF DIAGNOSTIC AND INTERVENTIONAL NEPHROLOGY

23RD ANNUAL SCIENTIFIC MEETING
FEBRUARY 26-28, 2027
SHERATON NEW ORLEANS

CHAIRS: MOHAMED ALI SHETA, MD, FASN, FASDIN
LALATHAKSHA KUMBAR, MD, MBA, FASDIN

Dear Corporate Partners, Exhibitors, and Sponsors,

On behalf of the American Society of Diagnostic and Interventional Nephrology (ASDIN), I am pleased to invite you to participate as a corporate partner, exhibitor, or sponsor at the 23rd Annual Scientific Meeting, taking place February 26–28, 2027, at the Sheraton New Orleans Hotel.

ASDIN is the leading organization dedicated to advancing excellence in dialysis vascular access through education, research, innovation, and multidisciplinary collaboration. Our Annual Scientific Meeting is the premier conference focused exclusively on dialysis access, bringing together the physicians, advanced practice providers, nurses, technicians, researchers, and healthcare leaders who influence clinical practice and purchasing decisions across the continuum of kidney care.

As technology continues to transform dialysis access management, ASDIN 2027 provides an exceptional opportunity to engage directly with the clinicians who evaluate, adopt, and champion new devices, therapies, and solutions. Whether you are launching a new product, strengthening customer relationships, or increasing brand awareness, ASDIN offers a highly focused environment where meaningful conversations lead to lasting partnerships.

By participating in ASDIN 2027, your organization will have the opportunity to:

- Connect face-to-face with nationally recognized experts, influential clinicians, and healthcare decision-makers.
- Demonstrate your latest products, technologies, and services to an audience actively seeking innovative solutions for dialysis vascular access.
- Build valuable relationships with current and prospective customers in a collaborative, education-focused setting.
- Increase your brand visibility through sponsorship recognition before, during, and after the meeting.
- Demonstrate your commitment to advancing innovation and improving outcomes for patients with kidney disease.

Your partnership extends well beyond the Annual Scientific Meeting. By sponsoring or exhibiting with ASDIN, you help support educational initiatives, clinical research, professional development, and the advancement of best practices that improve patient care throughout the year.

We invite you to review the enclosed Exhibitor and Sponsorship Prospectus to learn more about the many opportunities to engage with this unique and influential audience. We are confident that ASDIN 2027 will provide outstanding value for your organization, and we look forward to partnering with you in New Orleans in February 2027.

Thank you for your continued support of ASDIN and for your commitment to advancing the future of dialysis vascular access care.

Sincerely,

Adrian Sequeira, MD, FACP, FASN, FASDIN
ASDIN President 2026-2028

ASSIGNMENT OF SPACE

Every effort will be made to give exhibitors their first choice of location. Space assignment will be determined by the amount of exhibit space required, the exhibitor's participation in previous ASDIN meetings, partnership membership, and the date that the application was received. For best exhibit assignment, applications should be received before Thursday, October 1, 2026. Applications received after this date will be assigned to the space remaining in order of receipt. ASDIN reserves the right to adjust the floor plan, relocate exhibits as necessary, after consultation with the exhibitors. Exhibitors may not assign, sublet, or apportion any part of the space allotted to them nor exhibit therein any other goods than those manufactured or sold in the regular course of business by the exhibitor.

LIABILITY

Exhibitors must surrender space occupied in the same condition as it was in at the time of occupancy. The exhibitor is responsible for all damages to the exhibit hall, and for any and all claims and demands on account of any injury or death or damage to property occurring in or upon the exhibitor's exhibit space or because of the acts of the exhibitor, his employees, servants, agents, licensees or contractors; and the exhibitor agrees to indemnify and hold harmless, ASDIN from and against all liability and claims and demands which may arise from or be asserted in connection with the foregoing undertaking and responsibilities of the exhibitor. EXHIBIT LABOR

Exhibitors have the option of utilizing the Official Service Contractor, who provides quality union labor or personnel from their own companies to install and dismantle displays.

Full-time employees of exhibiting companies may set their own exhibits. Any full-time company personnel involved should have visible identification of their company status when engaged in these activities.

FREIGHT HANDLING

All work involved in the loading and unloading of all trucks, trailers and common and contract carriers from the facility docks, including empty crates, and the operation of material handling equipment, is under the jurisdiction of Global Experience Specialists, Inc. Full-time employees of exhibiting companies may 'hand carry' what one person can carry in one trip, provided they do not use material handling equipment. When exhibitors do choose to 'hand carry' material, they may not be permitted access to the loading dock/freight door areas. Global Experience Specialists, Inc. will not be responsible for any material GES does not handle. All exhibitors are expected to comply with any union requirements in effect and as outlined in the "SHOW SITE WORK RULES" section of the Exhibitor kit.

GRATUITIES

GES work rules prohibit the SOLICITATION OR ACCEPTANCE of tips in cash, product or gifts in kind by any employee (union or non-union). GES employees are paid appropriate wages denoting professional status, therefore tipping of any kind is not allowed.

ALWAYS HONEST HOTLINE

GES requires the highest standards of integrity from all employees. Please call the GES confidential Always Honest® hotline at (800) 443-4113 to report fraudulent or unethical behavior.

HOSPITALITY ROOMS

Hospitality Rooms and Exhibitor events are desirable and add to our meeting. Such activities must be held at times when conference activities are not in progress and must be approved by ASDIN. Hospitality rooms may be hosted by exhibiting companies only.

FIRE SAFETY

All structural work must meet the requirements of the host city's fire department and all decorations must be flame proof.

HEALTH AND SAFETY

Exhibitors and their representatives agree to follow all CDC guidelines, state and local regulations, and event safety protocols in place at the time of the meeting. Exhibitors and their representatives will act responsibly and with consideration for the health and safety of others. It is understood and agreed that if any exhibitor representative intentionally or materially refuses to comply with these safety protocols, they will be required to depart the meeting. Exhibitors and their representatives voluntarily accept the inherent risk of exposure to communicable diseases that may occur with traveling to and participating in the ASDIN 23rd Annual Scientific Meeting and agree to not hold ASDIN or its representatives liable for any illness related to that risk.

CANCELLATION

Requests must be in writing and must be emailed to ifox@asdin.org. If written cancellation is received by January 8, 2027, exhibit space payments will be returned less a \$500 administrative fee. Cancellations after January 8, 2027, will forfeit all payments. Should any situation arise beyond the control of ASDIN to prevent opening, holding the conference, or the exhibit portion thereof, ASDIN may not be liable for any expenses or losses incurred by the exhibitor, except rental cost of the exhibit space.
