

11th Inter

School on

Boulder, Colorado USA
October 15 – 18, 2014

11th Inte

School on

This is an exceptional opportunity for advanced training in the fields of Immunogenetics and Histocompatibility. The 11th ISS will be limited to a total of 50 students from ASHI, EFI or APHIA (membership required).

\$250 USD tuition fee includes the following:

- Registration
- Three nights hotel accommodations at the Renaissance Boulder Flatiron
- All meals for the duration of the Summer School

There will be intensive interactions between participating students and the faculty.

Introductory lectures will be followed by interactive discussions on recent developments, promoting educational and scientific exchange encompassing the latest developments in the fields of Immunogenetics, Histocompatibility and Transplantation at both the technical and clinical level. ABHI CECs will be available.

Hosted and organized by ASHI (American Society for Histocompatibility & Immunogenetics) with support from EFI (European Federation for Immunogenetics) and APHIA (Asia-Pacific Histocompatibility and Immunogenetics Association)
