

THE 9TH INTERNATIONAL SUMMER SCHOOL ON IMMUNOGENETICS

VICTOR HARBOR - SOUTH AUSTRALIA

11th - 13th November 2012
Whaler's Inn Resort

The 9th International Summer School on Immunogenetics:

This year's meeting is being organised by APHIA (Asia-Pacific Histocompatibility and Immunogenetics Association) with support from ASHI (American Society for Histocompatibility and Immunogenetics) and Immunogenetics Association) and EFI (the European Federation for Immunogenetics).

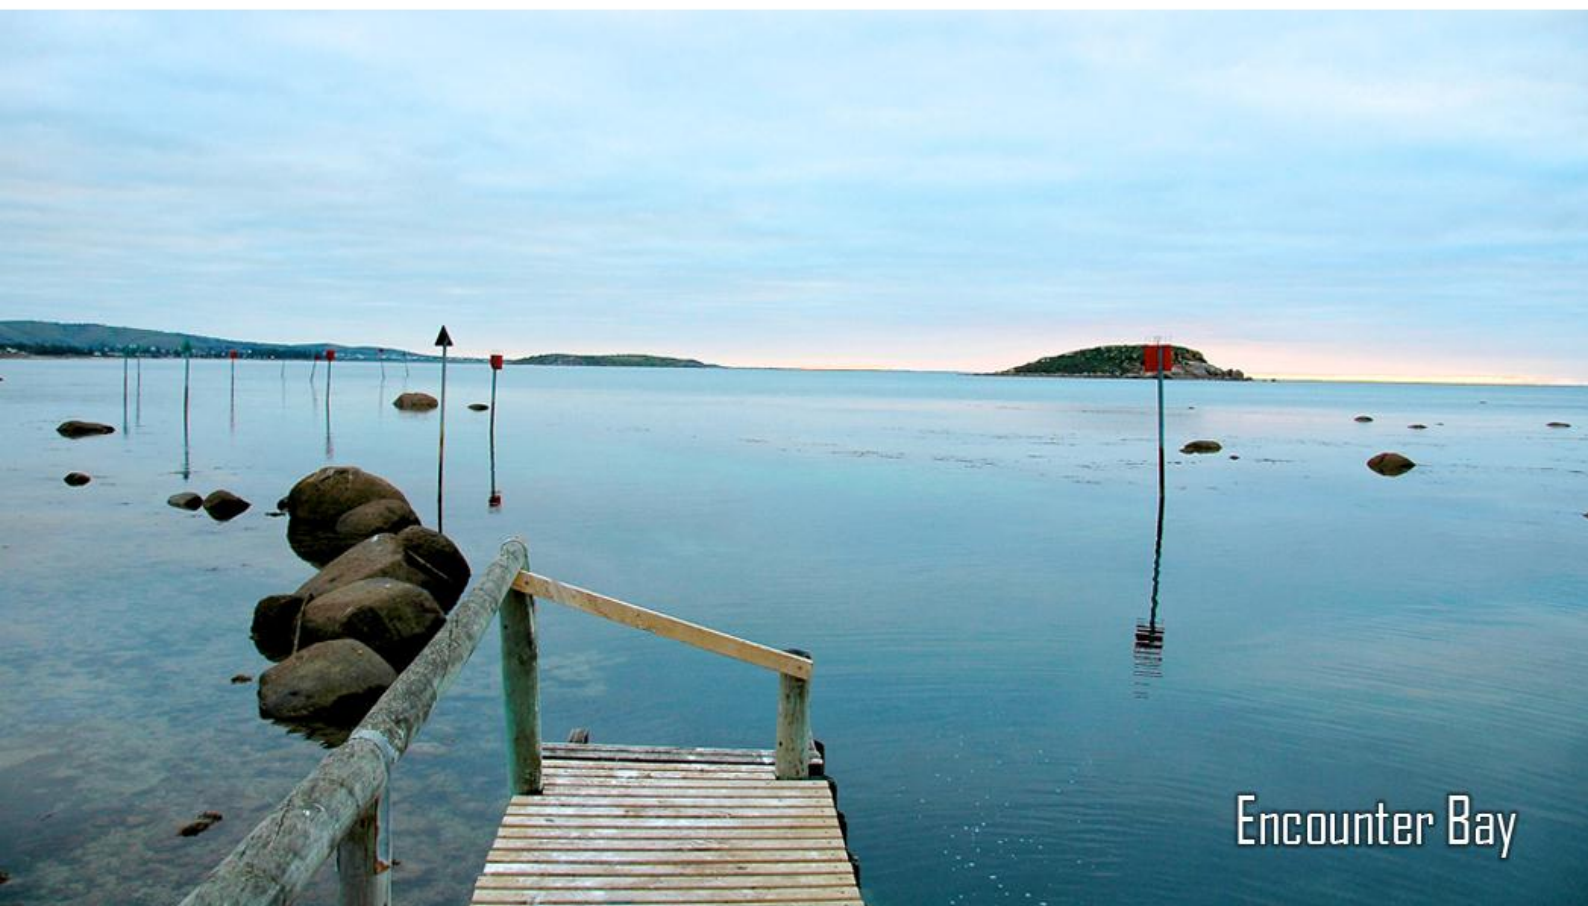

The meeting will be held from November 11th – 13th 2012 in Victor Harbor, South Australia.
Attendees are also invited to attend the 36th Annual APHIA Meeting held from
November 14th – 17th 2012 in Adelaide, South Australia.

The International Summer School is designed to promote the field of Immunogenetics with intensive interaction between participants and tutors. Introductory lectures will be followed by extensive discussions on recent developments. The participants are invited to present their own research.

The Summer School venue is the Whalers Inn Resort. Accommodation is at Bluff View Accommodation with studio, and 2 to 3 bedroom apartments available. Both offer stunning ocean views looking over Encounter Bay.
