

Sponsorship Prospectus

Strategically position your organization's brand at the ASHI Clinical Informatics Workshop (ACIW) on February 23 - 24, 2026 at Tulane University School of Medicine in New Orleans, LA. ACIW sponsorship packages allow your business to engage and network with a targeted audience of leading immunogenetics researchers and histocompatibility informatics developers. Attendees will include key decision makers from clinical histocompatibility laboratories who are power users of vendor software products and are seeking to derive more value from assay data.
