

Dear Prospective ASHI Member,

Your career in HLA is taking off and we want to help you grow by providing the educational opportunities and continuing education credits necessary to maintain your certification AND enhance your work experience.

ASHI is a not-for-profit association of clinical and research professionals including immunologists, geneticists, molecular biologists, transplant physicians and surgeons, pathologists and technologists. As a professional society involved in histocompatibility, immunogenetics and transplantation, ASHI is dedicated to advancing the science and application of histocompatibility and immunogenetics; providing a forum for the exchange of information; and advocating the highest standards of laboratory testing in the interest of optimal patient care.

**What are the benefits associated with ASHI membership?**

- Online subscription to the *ASHI Quarterly* and ASHI's bimonthly e-newsletter *ASHI Insights*.
- Access to free CE credits through the *ASHI Quarterly* quiz.
- Discounted registration fees at ASHI's Annual Meeting and Regional Education Workshops.
- Free access to ASHI University, a web-based curriculum providing comprehensive standardized information on topics relevant to HLA where you can earn free CE credits.
- Eligibility to receive a travel award.
- And much more!

To learn more about ASHI membership, visit us online at <http://www.ashi-hla.org>. To join ASHI, click on "About ASHI", select "Join" from the drop down menu, and determine your preferred category of membership. If you would like information on ASHI Membership, please contact ASHI Headquarters at (856) 380-6932.

We are excited to welcome new members in this field and hope that your passion for HLA will spread and grow through collaboration with ASHI colleagues. Thank you very much for helping us to achieve this goal.

Sincerely,

ASHI's Membership Division and Technologists' Affairs Committee
