

# Training Opportunities

## Volunteer Labs Offer Training Opportunities

The laboratories listed below are willing to receive visiting scientists and technologists interested in learning specific laboratory techniques. The visitor is responsible for his/her own expenses.

Thirteen laboratories have enlisted to date:

- Inland Northwest Blood Center, Spokane, WA
- Medical College of Virginia, Richmond, VA
- Gift of Life Michigan, Ann Arbor, MI
- Wake Forest University Health Sciences, Winston-Salem, NC
- City of Hope Medical Center, Duarte, CA
- Sheikh Knalife Medical City, Abu Dhabi, UAE
- Medanta - The Medicity Hospital, Maryana, India
- University of Alberta Hospital, Edmonton, Alberta, Canada
- MD Anderson Cancer Center, Houston, TX
- Queen Mary Hospital, Hong Kong, SAR, China
- American University of Beirut Medical Center, Beirut, Lebanon
- Transplant Immunology Lab, Rotary TTK Blood Bank, Bangalore, India
- Chimera Transplant Research Foundation (CTRF), New Delhi, India

We encourage our colleagues to participate in this educational exchange. To list your laboratory, please use the form attached [here](#). If you're interested in visiting one of these labs, please contact [info@ashi-hla.org](mailto:info@ashi-hla.org).
