Please read the important information below as it relates to several important aspects of the ASCENT 2021 Annual Educational Conference.

Suitcasing and Non-Exhibiting Vendor Attendees
Suitcasing is strictly prohibited at the ASCENT Annual Educational Conference. Please note that while all conference attendees are invited to the exhibit hall, any attendee who is observed to be soliciting business in the aisles, another vendor booth, classrooms or other public spaces will be asked to leave immediately. Additional penalties may apply.

Employees or representatives from non-exhibiting vendor companies can register to attend the ASCENT Annual Educational Conference if the vendor company sponsors at LEAST $4,000. Non-exhibiting sponsors may register two company representatives for every $4,000 sponsored.

Booking Alert
ASCENT is NOT affiliated with a housing company. Please be careful if approached by any company or service claiming to be an official housing provider for ASCENT Annual Educational Conference. ASCENT offers the guaranteed lowest rate available. In the past, the ASCENT has been made aware of travel companies that are entirely fraudulent, misleading exhibitors and attendees with false information. Please note that you can ONLY book a room in the ASCENT Annual Educational Conference block by using the booking information on the conference website. If you are contacted by a housing company trying to sell hotel rooms for this conference, please contact Tricia Long from the ASCENT office. ASCENT is not responsible for any rooms booked and money lost through any third-party agents.

Event Hosting
The ASCENT Annual Educational Conference is a great time for companies to connect with clients and potential clients. However, any stand-alone events or social functions held by exhibiting companies CANNOT conflict with regularly scheduled ASCENT 2021 programming.

Social functions sponsored independently by exhibitors at the conference site during the ASCENT 2021 Annual Educational Conference to which attendees are invited MUST receive ASCENT’s prior written approval.

Exhibiting FAQs

How is booth space assigned?
The booth assignments are based on level and when the contract was received. ASCENT Partners will receive priority assignments and then by group of sponsorship level (Premium Sponsor, Sponsor, Exhibitor). Within each group, space will be decided by the contracted date. The ASCENT tries to make sure competitors are not placed by one another, but the space assignment methods vary based on when your contract is received.

How tall can my booth be?
Standard booth maximum height is 8 feet. No signage or display features are permitted above this height. Booths must maintain line of sight for neighboring exhibitors. Please also note that our standard booth size is 10’ wide by 8’ deep.

When can I purchase a booth for next year’s annual educational conference?
When exhibiting at ASCENT 2021, fill out the flyer inside of your exhibitor packet for a special deal on your ASCENT 2021 exhibitor booth. Turn the form into the Registration Desk by the end of the conference to guarantee your discounted exhibitor fee. Your paperwork must be in by Oct. 8, 2021, but payment is not required until March 1, 2022.

In and Around Your Booth

What about product demonstration?
Exhibitors may demonstrate their products and equipment. However, demonstrations must be conducted within the confines of your booth space so as not to block neighboring booths. If you are looking for a formal product for attendees, please see the Demo Showcase sponsorship option on slide 12 of this prospectus.

What if we want to host an event?
We prefer that you work with ASCENT to maximize your exposure during the conference. Social functions sponsored independently by exhibitors during the ASCENT 2021 conference cannot conflict with scheduled conference education sessions or social events. You MUST notify show management of your activity and receive approval. Any companies in violation could be banned from exhibiting at future shows. Please see the event hosting information on slide 26.
Exhibiting FAQs

Can I distribute circulars and promotional material?
Distribution of material must be confined to the limits of the exhibitor’s booth space.

Can we provide food and beverage?
No food and/or beverage products may be prepared, served or distributed by exhibitors, unless agreed upon and under contract with the ASCENT and the Hilton Orlando Lake Buena Vista.

At the Conference
Where can I find hotel reservation information?
Book your hotel reservations on the ASCENT 2021 conference page. Reservations will be open in the spring. Please visit the ASCENT website for information regarding room block information. It is the responsibility of the exhibitor to make their own hotel reservations in a timely manner.

How and when do I register name badges for my on-site staff?
An attending representative registration form will be available online. The badge request process will become available closer to the show date. The main contact on the exhibitor form will receive a link to register all attending representatives. Any representatives not registered by the specified deadline could be subject to an on-site badge printing fee.

What if I need more than my allotted number of exhibit registrations?
If you would like to add any additional personnel to staff your booth, there is an additional fee. You can register them as a guest through the online registration.
Exhibiting FAQs/Rules & Regulations

What are the cancellation rules and policies?
Cancellation of space must be provided in written notice, and refund is subject to the following conditions:

- If space is canceled before May 10, 2021, conference management will retain or exhibitor will pay a $500 cancellation fee.
- If space is canceled between May 10, 2021, and June 11, 2021, conference management will retain or exhibitor will pay a $800 cancellation fee.
- If space is canceled between June 12, 2021, and August 20, 2021, conference management will retain or exhibitor will pay a $1,250 cancellation fee.
- If space is canceled OR not paid in full after August 20, 2021, conference management will retain or exhibitor will pay 100 percent of the total booth cost.

Indemnification
The exhibitor agrees to indemnify and hold harmless the ASCENT, its officers, directors, agents and employees from all claims of liability of third parties arising out of or related to the acts of omissions of the exhibitor in connection with the exhibitor’s participation in the ASCENT 2021 Annual Educational Conference. The exhibitor assumes entire responsibility and hereby agrees to protect, indemnify, defend and save the ASCENT and its employees and agents harmless against all claims, losses and damages to persons or property, while at ASCENT 2021.

Space Limitations
The ASCENT reserves the right to stop or remove from the conference any exhibitor, or his representative, performing an act or practice when in the opinion of conference management is objectionable or detracts from the dignity of the conference or is unethical to the business purpose of the conference. Conference management reserves the right to refuse admittance of exhibits or materials to the conference until all dues and fees are paid in full. No exhibitor shall hold any social event to which buyers are invited or entice buyers off the conference floor during official conference hours.
Rules & Regulations

Booth Policy
Exhibit personnel may not enter, photograph or video another exhibitor’s booth without obtaining permission. This is out of respect for the rights of other vendors to conduct business during the exhibit hours without interference or improper intervention. The ASCENT, its representatives and its staff shall always have free access to any exhibit in the performance of their assigned duties. It is against ASCENT’s policy to “share” booth space.

Each company that desires to conduct business at the ASCENT 2021 Annual Educational Conference must be an exhibitor or sponsor at the conference. Companies whose products are used in conjunction with each other are prohibited from exhibiting in the same booth. Companies are permitted to locate their booths next to each other on the Exhibit Hall floor, if they desire. ASCENT staff members are able to assist in ensuring your booths are placed on the floor plan to your best advantage during your booth draw time. Any company found to be in violation of this policy will be asked to remove all identifying information for the company that did not purchase a booth. This can include literature, signage, shirts with logos, etc.

Companies that are not exhibiting at the conference cannot be represented at the conference in any manner.

Company Category
ASCENT will determine how many companies in any given category will be accepted. This could mean that an exhibitor might not be approved to exhibit due to the response of companies in that category. If an exhibitor is not approved, deposit/booth payment will be fully refunded.

Accepted categories of companies are:

- Allergy (AL)
- Audiology (AU)
- Audiology Management (AUM)
- CT Scanners (CT)
- Electronic Medical Record (EMR)
- Practice Management (PM)
- Technology (TECH)
- Marketing (MKT)
- Medical Instruments (MI)
- Operations (OPN)
Booth Assignment
ASCENT reserves the right to place reasonable limitations on the number of booths or tables to be rented by any exhibiting company. The ASCENT staff strives to provide a broad spectrum of products and services.

Staffing of Booths
As a courtesy to our attendees, all exhibits must be open on time and remain staffed each day during the dedicated hours. Exhibitors are only required to staff their booths during dedicated hours. Staffing is optional outside of dedicated hours – the ASCENT and Hilton Orlando Lake Buena Vista urge exhibitor representatives to exercise precautions to discourage theft (see Security). Please see schedules on slide 9 for more information.

Dismantling of Exhibits
Dismantling of booth space prior to the designated teardown time is prohibited. This will result in a fine of $1,000 and possible loss of future ASCENT exhibit participation. Arrangements can be made if it is necessary, at the exhibiting company's expense.

Exhibitor Registration
A company may register the expressed number of individuals, complimentary, per the company's level of sponsorship. Additional badges may be purchased at registration on-site. Badges are not transferable. Replacement of lost badges will be issued for $300 each, payable upon receipt. Company badges will not be accepted in lieu of the official ASCENT 2021 Annual Educational Conference badge. Supplementing the badge with business cards as well as altering, adding to or defacing the official badge is not permitted. You will be required to present a picture ID to pick up your badge or to replace a lost badge.

Day Passes
Day passes are available for representatives that are only staffing their company's booth for one day. The fee for a Day Pass is $125. This fee does not include entry into any receptions, but it does include breakfast and lunch. The fee to attend any of the receptions is $45 per event.

Each exhibitor will be individually responsible for compliance with local health, fire and safety ordinances and regulations. If the event is canceled because of reasons beyond the control of conference management, space fees or deposits already made will be returned to exhibitors on a pro rata basis, after all related event expenses incurred by conference management, through the date of cancellation, have been met and such refund shall be accepted by exhibitor in full settlement of all loss or damage suffered by exhibitor.

Space not paid in full by the deadline date of August 20, 2021, will result in the space being released for non-payment. No exceptions will be made to this policy. Companies will be notified regularly of any outstanding balances. Deposits will not be returned, and no refunds will be issued after August 20, 2021. Payment is due in full for any company that registers after August 20, 2021.

Conference management has the right to cancel the contract if exhibitor becomes insolvent.
