All Entries Must Include a Project Narrative
Your narrative must not exceed a maximum of 750 words. The narrative should focus on why the project should be considered the best in its category. This information will also be used for the award presentation should you win an award. Note: The descriptions of each of the required
elements are meant to be used as guidelines. You should interpret all criteria based on your own unique project submission and respond accordingly.

**Visual Presentation**
While points are not awarded for the visual presentation, photos can impact your entry as they help to tell your story. Support your narrative with photos showing the scope and process of the project and any challenges described in the narrative. Include up to 3 photos in your submittal.
