	<u>Dues Grand Total</u>		\$ <u>14,667.50</u>

Payment Method: For this example, the \$3,000.00 Basic Benefit is billed in January. The remaining balance of \$11,667.50 (\$14,667.50 - \$3,000) is billed by MAPA monthly.

The example total annual Liquid Assessment is calculated from the tonnage as follows: (275,000) x (4%) x (0.25) = \$2750.00. This value is included in the monthly invoices.
