

## QPI-MN Circle of Support Meeting Agenda Template

Welcome to the Circle of Support Meeting. We are grateful for your participation and look forward to sharing information that will support the child(ren)/youth's development. Our meeting today will be between 30-45 minutes. It's common to feel nervous when meeting new people in this type of situation; please know we want you to be as comfortable as possible. A few expectations for this meeting are: conversations stay focused on information that will help care for the child/youth, discussions about case planning will be saved for a later time and it's okay to ask for a break if needed. A copy of this agenda will be provided to everyone here today and shared with important individuals working with the child/youth or family, such as guardian ad litem.
