RHODE ISLAND BOARD OF PSYCHOLOGY Phone: (401) 222-5960 Website: Click here	Yes		<p>It is the determination of the RI Board of Psychology that a RI licensed psychologist may practice Tele-Health in RI as Tele-Health is considered to be within the scope of practice for psychologists. RI also allows a psychologist licensed in another state to practice in RI for 10 days per calendar year, per RI General Law (RIGL) 5-44-23 (h) in RI. At this time the Board would consider contact by a psychologist licensed in another state with a patient physically located in RI as 1 day counted toward that limit. Associated with this provision, a psychologist licensed and physically located in another state may practice Tele-Health from their home state to a patient / client physically located in RI. Please also find a link for an Application, should you choose to seek a RI license for future use.</p>		<p>https://health.ri.gov/licenses/</p> <p>RIGL http://webserver.rilin.state.ri.us/Statutes/TITLE5/5-44/INDEX.HTM</p> <p>Rules & Regulations https://risos-apa-production-public.s3.amazonaws.com/DOH/REG_9966_20180811131746.pdf</p> <p>Application http://www.health.ri.gov/applications/Psychologist.pdf</p>
SASKATCHEWAN COLLEGE OF PSYCHOLOGISTS Phone: (306) 352-1699 Email: Click here Website: Click here	No		N/A	<p>If this was a reality the College would most likely look to be flexible and have a common sense approach – we do have temp. licensure for psychologists licensed in Canada, and of course we have the mobility agreement for Canadian registrants who wish a full license – we do not currently have a mechanism for expedited admission for psychologists licensed in the USA.</p>
