**Friday May 15th, 2020**

**Pearson Candidate Helpline: 800-513-6910**

*Please be advised that Pearson VUE is experiencing extended wait times*

*All rescheduling and cancellation fees have been suspended during COVID-19*

## **Exams in June 2020:**

Exam appointments through the month of June will be reserved for essential services professionals.

**Psychologists are considered essential services professionals\*, and EPPP candidates will be able to login, or call, and schedule a new appointment.**

*\*except in Alaska and Pennsylvania*

In order to follow local social distancing guidelines, the testing centers must open at reduced capacity. To accomplish this, some appointments may need to be cancelled.

*You will receive an email from Pearson IF your exam is affected.*

Cancelled appointments will be moved to a temporary virtual placeholder.

**This is NOT an actual exam and candidates will need to reschedule this appointment.**

**Please note: face masks are now required at Pearson VUE testing centers**

Please review the test center policies prior to your exam: [Pearson VUE Test Center Policy](#)

## **IF YOU HAVE AN EXAM SCHEDULED after July 1, and you're concerned, YOU CAN:**

- Reschedule for a later date: call the Pearson Helpline, or go online.
- Cancel your exam, and receive a refund.
- Do nothing; wait and keep checking for updates on any future closings.

*ASPPB recommends checking with your licensing board to see if you are facing a deadline with them. Some states, for example, give their candidates 1 year to sit for the EPPP.*
