

ASPPB E.Passport QUICK GUIDE

*Read the ASPPB Mobility Program Policies and Procedures for a comprehensive look at the Mobility Program and requirements. Note: Requirements are subject to change and are determined by the Mobility Committee.

The E. Passport promotes standardization in the criteria of interstate telepsychology practice and facilitates the process for licensed psychologists to provide telepsychological services across state lines in states that accept the E.Passport. The E. Passport also provides more consistent regulation of interstate telepsychology practice and allows consumers of psychological services to benefit from regulated practice.

<u>Application Checklist</u>

institution granting the doctoral degree. Residency means physical presence, in person, at the educational institution in a manner that facilitates the full participation and integration of the individual in the educational and training experience and includes faculty student interaction. Models that use in person contact for shorter durations throughout a year or models that use video teleconferencing or other electronic means to meet the residency requirement are NOT acceptable. Examination Successful completion of the Examination for Professional Practice in Psychology (EPPP) with a score		Lice	License	
Must have doctoral degree from a regionally accredited institution, clearly listed in psychology, that included a minimum of 3 academic years of full time graduate study. that meets or exceeds the established ASPPB recommended passing score at the time of application			Successful completion of the Examination for Professional Practice in Psychology (EPPP) with a score that meets or exceeds the established ASPPB recommended passing score at the time of application.	

Renewal Requirement

Annual renewal by submission of established fee, documentation of a current active license in a PSYPACT participating state and demonstration of 3 hours of continuing professional development (CPD) relevant to the use technology in psychology (approved CPD may include academic courses and/or approved sponsor continuing education). Failure to renew will cause the certificate to expire and the certificate holder may not practice if certificate is expired.
