

The Association of Staff Physician Recruiters (ASPR) is pleased to offer a Buyers Guide that focuses on sharing the contact information of vendors and companies associated with ASPR and provider recruitment. The ASPR Buyers Guide will be included in the printed 2019 Spring edition of JASPR, the official publication for ASPR with a distribution range of 5,000. The Buyers Guide will also be available electronically. Basic listings in ASPR's Buyers Guide are free of charge to all vendors. Company names will be listed alphabetically, by category, in the appropriate section within the guide.

Basic listings can be upgraded to an enhanced premium listing for increased visibility. Listings may be upgraded to include your company logo, description (up to 50 words) and a premium location. Enhancing your listing will better draw attention to your organization. This publication aims to be the document in every physician recruitment professional's desk or office.
