

## Driving Directions to Industrial Safety & Rescue's Westwood Office

Industrial Safety & Rescue  
387 University Avenue  
Westwood MA 02090  
800-244-1238  
781-828-2049

Take Exit 13 off Rt 128 onto University Ave. After (4) sets of traffic lights and past the mall, you pass over the railroad tracks, it is your 3<sup>rd</sup> right. If you pass that entrance, there is another entrance 100 yds down.

The entrance for students is in the back. Follow the A-frame signs. Do not park in front or use the front door. Our loading dock door is labeled with '387' with a ramp up to the door on the right. **NO PARKING IS ALLOWED IN FRONT OF ANY LOADING DOCK.** There are plenty of spaces at the end of the building. Park **ONLY** in the area shown in yellow. **DO NOT BLOCK OTHER TENANTS.**

If you are early to class, wait for the instructor to arrive as the door will be locked.

Once inside the Training area door, straight ahead is a sliding barn door. This is where most classes are held.
