

Associated Subcontractors of Massachusetts

Political Action Committee (PAC)

CONTRIBUTION FORM

The ASM PAC provides ASM members with a way to support ASM's legislative efforts (including our 2018 campaign for indemnity reform) and show appreciation to elected officials who are responsive to subcontractor concerns. The ASM PAC makes it possible for association officers and staff to attend events for legislative leaders and talk with them about ASM's legislative priorities. By supporting the ASM PAC, subcontractors have a stronger voice on Beacon Hill, and a greater chance of legislative success. Contributions in any amount are always appreciated.
