

Table of Contents

- Chapter 1 Utilization of Intensive Emergency Critical Care and Specialty Care Transport Systems 1**
 - Standard..... 1**
 - Guideline I Optimized Care in the Out-of-Hospital Environment
 - Guideline II Defining Scope of Practice
 - Guideline III Team Configurations
 - Guideline IV Selecting Mode of Transport
 - Guideline V Emergency Medical Treatment and Active Labor Act
 - Guideline VI Determining the Appropriate Scope of Care
 - Commercial Medical Escort 7**
 - Guideline I Selecting the Appropriate Air Carrier
 - Guideline II Planning the Commercial Medical Escort Transport
 - Guideline III Determining the Appropriate Scope of Care
 - Guideline IV International Patient Transport
 - Guideline V Preparing for International Travel

- Chapter 2 Qualifications, Competencies, and Continuing Education for Critical Care Transport Personnel 12**
 - Standard..... 12**
 - Guideline I Clinical Team Configuration
 - Guideline II Initial Team Education and Training
 - Guideline III Recurrent Team Training and Education
 - Guideline IV Infection Control and Prevention Education
 - Guideline V Documenting Educational Performance
 - Guideline VI Quality Management Driven Educational Initiatives
 - Commercial Medical Escort 21**
 - Guideline I Team Assignments
 - Guideline II Initial and Recurrent Team Education and Training

- Chapter 3 Patient Assessment: Adult 24**
 - Standard..... 24**
 - Guideline I Pre-Transport Planning
 - Guideline II Primary Assessment and Interventions
 - Guideline III Secondary Assessment and Interventions
 - Guideline IV Plan of Care
 - Guideline V Documentation and Transfer of Care
 - Guideline VI Maternal Patient Assessment and Intervention
 - Commercial Medical Escort 36**
 - Guideline I Initial Assessment and Patient Preparation
 - Guideline II Commercial Airline and Airport Regulations
 - Guideline III Medication Planning and Administration
 - Guideline IV Documentation of Patient Assessment and Continued Care

Chapter 4	Patient Assessment: Pediatric	39
	Standard	39
	Guideline I Pre-Transport Planning	
	Guideline II Primary Assessment and Interventions	
	Guideline III Secondary Assessment and Interventions	
	Guideline IV Plan of Care	
	Guideline V Documentation and Transfer of Care	
	Commercial Medical Escort	47
	Guideline I Initial Assessment and Patient Preparation	
	Guideline II Commercial Airline and Airport Regulations	
	Guideline III Medication Planning and Administration	
	Guideline IV Documentation of Patient Assessment and Continued Care	
Chapter 5	Patient Assessment: Neonatal	50
	Standard	50
	Guideline I Pre-Transport Planning	
	Guideline II Primary Assessment and Interventions	
	Guideline III Secondary Assessment and Interventions	
	Guideline IV Plan of Care	
	Guideline V Documentation and Transfer of Care	
Chapter 6	Organization and Operations Management	57
	Standard	57
	Guideline I Business Philosophy	
	Guideline II Organizational Structure	
	Guideline III Defined and Documented Policies and Procedures	
	Guideline IV Established Communication Procedures	
	Guideline V Service Metrics Tracking and Trending	
	Guideline VI Fiscal Analysis of the Program	
	Guideline VII Multidisciplinary Performance Review	
	Guideline VIII Staff Education and Training	
	Guideline IX Patient and Client Satisfaction Reports	
	Guideline X Operational Readiness	
	Guideline XI Strategic Plan of Operation	
	Guideline XII Defined Marketing Plan	
	Commercial Medical Escort	64
	Guideline I Compliance with Customs, Immigration, and Travel Health Regulations	

Chapter 7	Quality and Safety Risk Management	66
	Standard	66
	Guideline I Quality Management Program	
	Guideline II QM Coordinator Responsibilities	
	Guideline III QM Program Structure	
	Guideline IV QM Systems and Data Collection	
	Guideline V Safety Risk Management System	
	Guideline VI International Safety Risk Management Structure	
	Guideline VII Safety Risk Management and Nonpunitive Reporting	
	Guideline VIII Safety Risk Committee Structure and Data Collection	
	Guideline IX Crew Performance Standards/Safety Risk Management	
	Guideline X Nonpatient Transports	
	Guideline XI Transporting Combative Patients	
	Guideline XII International Wellness Requirement	
	Guideline XIII Exposure Control Plan	
	Guideline XIV Qualifications for Vehicle Operators	
	Guideline XV Safety Tools and Measures	
	Commercial Medical Escort	81
	Guideline I Safety Guidelines	
	Guideline II Professional Dress	
	Guideline III Length of Transport Considerations	
	Guideline IV Travel Risk Assessments	
	Guideline V Commercial Escort QM Program	
	Guideline VI Commercial Escort Safety Management System	
	Guideline VII Commercial Escort Utilization Management Program	
	Guideline VIII Infections and Exposure Control	
Chapter 8	Communications	83
	Standard	83
	Guideline I Communications Center Staffing, Responsibilities, and Training	
	Guideline II Communications Plan	
	Guideline III Communications Center Equipment	
	Guideline IV Service Request Metrics	
	Guideline V Transport Vehicle Communications Equipment	
	Guideline VI PAIP Communications Plan	
	Guideline VII Communicating Transport Outcomes	
	Guideline VIII Communications Center Contingency and Evacuation Plan	
	Commercial Medical Escort	88
	Guideline I Communications Plan	
	Guideline II Reliable Communication with the Transport Team	
	Guideline III Communication Access during Transport	
	Guideline IV Transport Communications Equipment	

Chapter 9	Medical Oversight	90
	Standard	90
	Guideline I Medical Director Qualifications	
	Guideline II Medical Director Experience	
	Guideline III Medical Director Responsibilities	
	Guideline IV Medical Control	
	Commercial Medical Escort	94
	Guideline I Medical Oversight Requirements	
Chapter 10	Equipment and Medications	95
	Standard	95
	Guideline I Equipment Requirements	
	Guideline II Medical Supplies	
	Guideline III Medications	
	Guideline IV Stretcher Maintenance	
	Guideline V Specialty Equipment	
	Guideline VI Medical Gases	
	Guideline VII Mechanical Ventilation Equipment	
	Commercial Medical Escort	99
	Guideline I Medical Equipment and Supplies	
	Guideline II Medications	
	Guideline III Medical Gases	
	Guideline IV Access to Electrical and Battery Power	
Chapter 11	Vehicle Specifications and Fleet Maintenance	102
	Standard	102
	Guideline I Vehicle Configurations	
	Guideline II Operator Requirements	
	Guideline III Maintenance	
	Guideline IV Vehicle Operations and Quality Management	
	Guideline V Vehicle Replacement	
Chapter 12	Transport Personnel Health and Well-Being	107
	Standard	107
	Guideline I Wellness Programs	
	Guideline II Sleep and Fatigue	
	Guideline III Stress and Posttraumatic Stress Injury	
	Guideline IV Posttraumatic Stress Disorder	
	Guideline V Substance Use and Addiction	
	Guideline VI Stress Management Strategies and Resources	
	Guideline VII Injury Prevention	
	Guideline VIII Special Circumstances and Considerations	
	Guideline IX Measuring the Success of Wellness Initiatives	

Chapter 13	Marketing and Community Outreach	121
	Standard	121
	Guideline I Market Analysis	
	Guideline II Needs Assessment	
	Guideline III Competitive Analysis	
	Guideline IV Strategic Market Assessment	
	Guideline V Strategic Marketing Plan	
Chapter 14	Rules, Regulations, and Legal Considerations	125
	Standard	125
	Guideline I EMTALA for Critical Care Transport	
	Guideline II General Considerations and Concepts of Consent	
	Guideline III Documentation of Patient Refusal of Service	
	Guideline IV Consent to Treat a Minor	
	Guideline V Patient Risks and Benefits Associated with Transport	
	Guideline VI Transfer and Provider Agreements	
	Guideline VII Transfer of Responsibility	
	Guideline VIII Responsibility for Insurance	
	Guideline IX Prevention of Fraud and Abuse	
	Guideline X International Regulatory Considerations	
	Commercial Medical Escort	134
Chapter 15	Compliance and Ethics Programs	135
	Standard	135
	Guideline I Standards, Policies, and Procedures	
	Guideline II Compliance Program and Compliance Officer	
	Guideline III Communication, Education, and Training	
	Guideline IV Monitoring, Auditing, and Risk Assessments	
	Guideline V Reporting Systems	
	Guideline VI Discipline for Noncompliance	
	Guideline VII Investigation and Remediation	
Chapter 16	Post-Incident Preparedness	141
	Standard	141
	Guideline I Safety Culture	
	Guideline II Elements of Team Preparedness	
	Guideline III Elements of Personal Preparedness	
	Guideline IV Resources for the Immediate Post-Incident Period	
	Guideline V Resources for Immediate and Long-Term Needs	
	Guideline VI Elements of a Media Plan	
	Guideline VII Data and Recordkeeping	
	Guideline VIII Memorial Service Planning	
	Guideline IX Response to Public Support/Condolences	
	Guideline X NTSB Investigation	

Chapter 17 Disaster Response	147
Standard	147
Guideline I Collaborate and Assess	
Guideline II Preparation	
Guideline III Response	
Guideline IV Recovery
