Minutes from the 2018 ASVCP Business Meeting

ASVCP Annual Business Meeting
Washington DC, United States
November 4th, 2018, 4:45 pm ET Minutes

Executive Board Members in attendance: President Kurt Zimmerman. Past-President Lindsay Tomlinson, President-Elect Julie Webb, Treasurer Sarah Beatty, 3rd year EB member Amy MacNeill, 2nd year EB member Sharon Dial, 1st year EB member Laura Snyder, Secretary Mark Johnson, Secretary-Elect Melinda Camus, incoming 1st year EB member Erica Behling-Kelly, ACVP Council representative Kirstin Barnhart

1) Kurt Zimmerman called the annual ASVCP Business meeting to order and welcomed all attendees. Kurt acknowledged ASVCP sponsors and the 2018 Executive Board (EB).

Kurt announced that the ACVP will be serving as the fiscal agent for the ASVCP in regards to charitable donations. He briefly explained that the lengthy time and high cost to register in all 50 states was prohibitive for our small Society. He indicated that the ACVP has graciously agreed to act as our fiscal agent and thanked ACVP Council for its willingness to represent the ASVCP in this manner. He indicated that donations to the ASVCP will now made directly to the ACVP with the designation “ACVP, on behalf of the ASVCP”.

Kurt indicated that a Resident EB Liaison position has been created. He stated that the details of the position have not been worked out yet but this individual would represent resident issues and would be expected to attend EB webinars or teleconferences when items that pertain to residents were discussed. He indicated that residents interested in this position should submit their name, institution and year of resident training to the EB.

Kurt reported that the task of organizing the Pre-Meeting Workshop (PMW) would now fall to the EB but committees would still be asked to submit proposals for the PMW on a rotational basis. He asked attendees to submit potential topics for next year’s PMW in San Antonio and individuals that do submit topics during this business meeting would be eligible to receive a door prize at the ASVCP Annual Reception the following evening.

Kurt stated that there are two new ASVCP membership categories for 2019, professional student and emerging nation members, to encourage more diversity in our membership population. He reminded attendees to renew their membership and if they renewed prior to January 1, 2019 they would renew at the 2018 membership rate.

Kurt called for a motion to approve the 2017 ASVCP Annual Business meeting minutes that were listed in the 2018 Business Meeting Book, as well as through a link in the January 2018 supplemental News Blast. Harold Tvedten motioned to approve the minutes. Steve Stockham seconded the motion and all attendees voted yea.

2) Kurt invited ASVCP Treasure Sarah Beatty to the podium to provide the treasurer report. Sarah briefly went through 2017-2018 budget for expenses and revenues and stated that our current operating budget is approximately $200,000. She reported that our current revenue is approximately $166,000, which created an end-of-year deficit of $28,402. She indicated that the deficit was expected and planned by the EB, which was based on the recommendation of our financial advisor to purposely decrease our reserves in order to maintain tax exemption status. She indicated that we have about $260,000 total in reserves, with approximately $205,000 in investment accounts and approximately $55,000 in the checking account.

Sarah reported that we are re-allocating our Socially Responsible Investment stocks from 28.9% to 58.46%, as those investments have done well. She indicated that she will continue to consult bi-annually with our Financial Advisor regarding our investments. Sarah indicated that the ultimate goal is to maintain a balanced budget but we need to strategically decrease our reserves when needed and support and collaborate with the Share the Future Committee (STF) initiatives to offset some of the increasing costs to run our Society. Sarah asked attendees who are interested in general finance or the finances of our Society to contact her about joining the ASVCP Financial Advisory Board.

3) Kurt invited Zoe Polizopoulou, President of the European College of Veterinary Clinical Pathology (ECVCP) and member of the European Society for Veterinary Clinical Pathology (ESVCP) to provide an update on the ECVCP and ESVCP. Zoe thanked Kurt and the EB for inviting her to this conference. She indicated that there are 182 members of the ESVCP to include 20 new members, 22 resident/PhD members and 15 concurrent ASVCP members and they have 12 ECVCP diplomates. Zoe indicated that their organization is quite diverse in regard to country of origin. She reported that they are in the process of planning their Trainee Summer School for 2019 in Toulouse, France and they will be posting a more final schedule soon on their webpage. She indicated that this is a 5-day full course with a Mock Exam and she extended an invitation to North America trainees to attend the summer school. Zoe stated that the Joint Congress of the European Veterinary Pathology and Veterinary Clinical Pathology will be located in the Netherlands and will have an exotic animal focus. She indicated that they need reviewers for next year’s certifying
Minutes from the 2018 ASVCP Business Meeting - continued

examination and asked ACVP Clinical Pathology diplomates in attendance if they are interested in being a reviewer to contact her.

4) Kurt invited Wendy Sprague, Veterinary Clinical Pathology (VCP) Editor-in-Chief, to come to the podium and provide the annual journal report. Wendy indicated that VCP is the official journal for the ASVCP and ESVCP and the affiliate journal for International Society of Animal Clinical Pathology (ISACP) and the Australian Society for Veterinary Pathology (ASVP). She acknowledged additional VCP editors, VCP section editors and the VCP editorial board and thanked all of them for their work and support of the journal. Wendy indicated that they will be expanding the editorial board and to contact her if they are interested in being part of the editorial board.

Wendy indicated that Wiley has created a new platform for VCP, which includes a scrolling banner that highlights topics from the journal. She reported that there is a link to Editor’s choice articles, a new QALS page, a publication from Mary Christopher and Karen Young titled “Writing for Publication in Veterinary Medicine,” and a call for papers on Clinical Immunology. Wendy indicated that published QALS articles will be available on this new QALS page as freeware or as PDFs of the updated articles previously available on the ASVCP webpage. She noted that additional changes include updates to new author guidelines, fewer stand-alone acronyms, information about “data not shown,” information about reference format style, and information about image requirements. Wendy reported that she will be placing the abstracts for the 2018 annual ASVCP meeting and the 2018 annual ESVCP annual meeting in the March 2019 VCP issue.

Wendy reported on the acceptance and rejection rate for manuscripts, the average days for manuscript submission to decision by specific decision type, the manuscript movement process through Wiley, and manuscript contribution by country. An ASVCP member asked Wendy about the requirement to provide specific owner consent for manuscripts that use laboratory samples collected as part of routine clinical blood work. Amy replied that requirement has been eliminated.

5) Kurt thanked all members of the Program Committee and specifically committee chair, Tina Meichner, for all of their hard work on the 2018 meeting. He indicated that the 2019 ACVP/ASVCP meeting will be held in San Antonio and the joint ACVP/ASVCP/International Society of Animal Clinical Pathology (ISACP) meeting will be held in Chicago, which will be the first annual meeting to reduce sessions from Saturday through Wednesday to Saturday through Tuesday. Kurt indicated that the committee is seeking new recruits and to contact Tina Meichner if interested in serving on the committee. Tina stood up and thanked EB liaisons to the Program Committee for their help with this committee. Tina received an ovation before sitting.

Kurt thanked all of the presenters for Online rounds and Sharon Dial for hosting it again. He indicated that this platform has provided incredible exposure and growth for our organization and reminded attendees that presentations can be of any type and does not have to be a formal presentation. Kurt asked Sharon to stand and be acknowledged for her leadership of this endeavor. Sharon stood and stated that next year, EB member Laura Snyder would be the moderator for Online Rounds and that the Education Committee would be tasked to assemble the various presenters. Sharon received an ovation before sitting.

Kurt thanked all members of the Website and Digital Media Committee and specifically committee chair Lotti Hollinger, Laura Black and Davis Selig for all of their hard work on the website and highlighted their accomplishments for attendees. He indicated that Laura Black will be the next chair of the committee.

Kurt thanked all members of the Quality Assurance and Laboratory Standards Committee (QALS) and specifically committee chair Jennifer Cook and secretary Jill Arnold. He indicated that they are a very productive group and he praised their work on the QALS Guidelines and highlighted their accomplishments to attendees. He asked Jennifer Cook to stand and be recognized. Jennifer thanked all members of the committee and commended Jérémie Korchia for his work on the committee, while completing his residency and successfully passing the ACVP certifying examination in clinical pathology. Jennifer received an ovation before sitting.

Kurt thanked all members of the Regulatory Affairs Committee (RAC) and specifically acknowledged committee chair Adam Aulbach for his leadership. Kurt highlighted the accomplishments of the committee and asked Laura Cregar, member of RAC, to stand and be recognized. Laura received an ovation before sitting.

Kurt thanked all members of the Veterinary Laboratory Professionals committee (VLP) and expressed an overwhelming thanks to committee chair Nicole Rosen for her extraordinary hard work this year. He indicated that the VLP sponsored Pre-Meeting Workshop (PMW) was a success and they had over 90 attendees. He also acknowledged the success of the two VLP program sessions this year for attendees. He asked Nicole Rosen to stand and she was given an ovation before sitting.

Kurt thanked all members of the STF and invited committee chair Laura Cregar to come to the podium. Laura Cregar thanked all of the individual and corporate sponsors of STF and indicated that without this support their initiatives would not be funded. She indicated that these funds are used to support initiatives for trainee and professional students such as travel grants, research grants, student outreach, Online Rounds and student externships. Laura indicated that a silent auction will again be held at the annual
ASVCP reception and there will be some great items to bid on. She stated that The Rees Group (TRG) staff will be available to take member donations at the reception and members can also donate directly on the ASVCP website. She mentioned the new initiative for individual or corporate sponsorship of Online Rounds and asked attendees to donate to the ASVCP through the STF initiative of “Honoring Your Mentor.” Laura announced the names of the 6 recipients of the travel grants and ask them to come to the podium to receive their monetary award. Recipients received their awards.

Kurt thanked all members of the Education Committee and invited incoming Education Committee chair Ashley Newman to the podium. Ashley indicated that she will be the new chair for the committee, as Deanna Schaefer was unable to attend the meeting this year. She indicated that the committee is excited about the new charge for the committee to host Online Rounds. Ashley indicated the Annual Education Forum will be held this Monday from 3:30-5:15 pm and the invited speaker will be Dr. Holly Bender, who will be discussing team-based learning. She encouraged everyone to attend. Ashley reported that the meet and greet session with residents and established clinical pathologists will be held on Monday from 7-8 pm with the theme of "Team Jeopardy." She acknowledged the 2 recipients of Education Committee Resident Externship grants.

6) Ashley Newman stayed at the podium to present the 2018 ASVCP Educator Award to Tracy Stokol. Ashley highlighted Tracy’s educational accomplishments and invited her to the podium to receive her award. Tracy accepted her award and thanked all of her mentors that helped her understand the importance of education and encouraged everyone to donate to the STF in honor of their mentors. Tracy received an ovation for the award.

7) Kurt invited Lindsay Tomlinson and Balázs Szladovits to the podium to present the 2018 ASVCP Early Career Award to Laureen Michèle Peters. Balázs highlighted Laureen’s accomplishments and invited her to come to the podium to receive her award. Laureen received an ovation for the award.

8) Kurt opened the floor to attendees for any questions or discussions. None were received.

9) Kurt welcomed the new ASVCP members for this year and asked if any are present to stand and be recognized. Two new members stood and received an ovation.

10) Kurt introduced newly elected EB members Amy Warren, incoming ASVCP President Elect, and Erica Behling-Kelley, incoming ASVCP 1st year EB member. He indicated that Amy was unable to attend the Business meeting and invited Erica to come to the podium to take the oath of office. Kurt administered the oath of office to Erica.

11) Kurt acknowledged and thanked outgoing Secretary Mark Johnson, outgoing EB member Amy MacNeill and outgoing Past-President Lindsay Tomlinson for all of their hard work on the EB. All received an ovation from attendees.

12) Kurt invited incoming President Julie Webb to the podium. Julie greeted members and thanked everyone for attending. She acknowledged and thanked Kurt for his leadership and mentorship this past year. Julie called for the meeting to be adjourned.

13) The meeting adjourned.
Minutes from the 2018 ASVCP Business Meeting - continued

AGENDA
2018 ASVCP Annual Business Meeting

4:30 p.m. – 5:50 p.m. Thurgood Ballroom East, Mezzanine Level
November 4, 2018
Washington, DC

4:30 p.m. Call to Order K. Zimmerman
Announcements
▪ ACVP Fiscal Agent
▪ Resident EB Liaison
▪ Pre-meeting Workshop
Approval of 2017 Business Meeting Minutes

Awards and Award Deadlines

ASVCP Lifetime Achievement Award 2020
Deadline: June 1, 2020
Applications available on the ASVCP website

The ASVCP Lifetime Achievement Award is to recognize members of the ASVCP who have contributed to the advancement of the field of veterinary clinical pathology through their research and teaching, and through their work on behalf of the American Society for Veterinary Clinical Pathology.

Nomination should include:

▪ At least three letters of support from ASVCP members
▪ A rationale as to why this particular member is worthy of this award
▪ The CV of the individual being nominated.

The Lifetime Achievement Award Committee, chaired by the Past President, will review nominations and the committee’s recommendation will be presented to the ASVCP Executive Board. The ASVCP Executive Board will determine if the nominated ASVCP member is to receive the award by a majority vote. The ASVCP Lifetime Achievement Award will be presented at the annual meeting.

ASVCP Educator Award 2020
Deadline: Nominations Due May 1, 2020
Applications available on the ASVCP website

Contributions to education vary greatly to include standard classroom and clinical teaching that primarily takes place in veterinary schools, continuing education of practitioners and technical staff, formal and informal mentoring of students by pathologists in the private sector, committee service to ASVCP and ACVP including board examination preparation, creation of teaching materials such as books and computer programs, and publishing articles relevant to any stage of veterinary medical education. Unfortunately, formal recognition of these contributions is given almost exclusively to pathologists working in academia.

In order to encourage and reward a wider range of ASVCP members contributing to the education of future veterinarians and pathologists, the ASVCP Education Committee and the Executive Board would like to invite our membership to submit nominations for the ASVCP Education Award.

Letters of nomination should:

▪ Describe the nominee’s contributions to the education of veterinary medical students, clinical pathology residents, veterinarians, and laboratory professionals.
▪ A brief description (one page or less) of the nominee’s accomplishments
▪ Contact information for the nominee
▪ A list of 2-3 individuals that can provide additional letters of support

Share the Future Travel Award 2020
Applications available on the ASVCP website

Share the Future Travel Awards are intended to help offset travel costs for clinical pathology residents or graduate students who will be giving talks or poster presentations at the Annual Meeting. Five awards of $500 each will be awarded.

Share the Future Research Grant
Deadline: Check www.asvcp.org for deadline information.
Applications available on the ASVCP website

Share the Future research grants are intended to help support research by clinical pathology residents and graduate students. Grants will range from $1,000 to $2,500. In 2020, one research grant will be awarded. A complete application form can be found on the ASVCP website under “ASVCP Awards.”

Research proposal should include:

▪ Abstract (300 words or less)
▪ Specific Aims
▪ Background and Significance/Importance
▪ Research Design and Methods
▪ Approval for the use of live animals by an Institutional Animal Care and Use Committee (if applicable)

Young Investigator Award

Two awards will be given. One award will be given to the best oral presentation involving applied or translational research or case reviews that provide new knowledge in the field of veterinary clinical pathology. One award will be given to the best oral presentation involving basic research that provides new knowledge in the field of veterinary clinical pathology.

Nominations for the 2020 ASVCP Early Career Award
Deadline: Nominations due July 1, 2020
Applications available on the ASVCP website

The ASVCP Early Career Award honors an ASVCP member in the early stages of his or her career who shows exceptional promise in the discipline of veterinary clinical pathology through efforts in research, diagnostic service, teaching, and/or service to the Society. The award is restricted to an individual in the first six years of his or her career after completion of residency training or advanced degree completion, should this come after residency training. It will be presented at the annual meeting. Any ASVCP member can nominate another ASVCP member. The nomination package consists of a nomination letter, the CV of the nominee, and three letters of support. Please refer to the website for full instructions and application.
**Lifetime Membership**

Life membership is available to members who retire from their professional activities and have been a member in good standing, of the society for a minimum of 20 consecutive years. Life membership is also given to those who have received the Lifetime Achievement Award. Life members will receive all the benefits of a paying member. To apply for life membership, please submit a letter of request to the ASVCP President and Secretary.

Call for Officer Nominations: 2020 ASVCP Election

The Nominations Committee is seeking nominations for: President-Elect, President, Immediate Past President Track and Executive Board Member. Brief overviews of the major duties associated with each position are provided below. For additional information or to make a nomination, please contact Julie Webb, 2019-2020 Immediate Past President of the ASVCP.

**PRESIDENT-ELECT/PRESIDENT/IMMEDIATE PAST PRESIDENT TRACK:**
- Serve a 3-year term:
  - 1st year – President-Elect
  - 2nd year – President
  - 3rd year – Immediate Past President
- Major Duties of the President-Elect:
  - Attend the Executive Board meetings held in conjunction with the annual meeting
  - Participate in monthly telephone conferences
  - Participate in e-mail discussions of important issues
  - Serve as Chair of the sub-committee that establishes the curriculum for the Focused Scientific Sessions at the annual meeting
- Major Duties of the President:
  - Serve as Chairman of the Executive Board
  - Preside at all meetings (includes teleconferences, electronic mail discussions, Executive Board meetings, the Annual Business Meeting, etc); in conjunction with The Rees Group set agendas for the meetings
  - Appoint all committee Chairs, and, in conjunction with the committee liaisons of the Executive Board, oversee all committee functions and communications
  - Interface with the ASVCP liaison of the ACVP
  - Review the ASVCP Newsletter and prepare a President’s Message for each issue
  - Serve as the primary interface with The Rees Group
- Major Duties of the Immediate Past President:
  - Facilitate transition of office to the new President
  - Increase positive recognition of the society via writing letters of thanks and (in conjunction with The Rees Group) press releases
  - Serve as Chair of the Nominating Committee for open Executive Board positions
  - Coordinate the ASVCP Young Investigators Award competition
  - Attend the Executive Board meeting in conjunction with the annual meeting
  - Participate in monthly telephone conferences
  - Participate in email discussions of important issues

**EXECUTIVE BOARD MEMBER:**
- Serve a 3-year term
- Attend the Executive Board meeting held in conjunction with the annual meeting
- Participate in monthly telephone conferences
- Participate in e-mail discussions of important issues
- Serve as liaison to standing committees
- Assist in the coordination of the ASVCP slide and chemistry review sessions at the annual meeting
- Assist in developing the ASVCP continuing education curriculum for the annual ACVIM Forum

ASVCP Lifetime Achievement Award Recipient: Dr. Karen Young

The ASVCP Lifetime Achievement Award, established in 2004, recognizes members of the Society who have contributed to the advancement of the field of veterinary clinical pathology. A call for nominations for the award is put out to ASVCP members annually in the spring and the award is presented to recipients at the Annual Meeting. This year, the award is again given to one Society member who has contributed greatly to the advancement of veterinary clinical pathology, Dr. Karen Young.

Please join us in congratulating Dr. Young!

Karen is a Professor of Clinical Pathology at the University of Wisconsin-Madison and has been on faculty since 1985. During this time she has taught over 2500 veterinary students, mentored 20 clinical pathology trainees, authored 40 pathology book chapters and published 40 pathology-related articles. All in addition to the numerous cytology and hematology cases read while on diagnostic service, a number I cannot even begin to estimate. Karen is deeply involved with mentorship and teaching throughout the veterinary school. She is an advocate for active, integrated and problem-based learning, and has received several grants to explore those facets of education. Students love her enthusiasm and she has received multiple teaching awards, including ASVCP’s Outstanding Educator Award in 2012. Karen has also dedicated countless hours to editing Veterinary Clinical Pathology and advancing scientific writing in the veterinary field. She started on VCP’s Editorial Board in the late 1990s and finished as Editor of the journal from 2002 to 2012. Karen is a wonderful colleague, friend and human being. She is brilliant, hardworking, energetic and considerate. An activist in her community, a mother of two and a lover of NCAA basketball. She is exactly the type of person that ASVCP will be proud to name amongst other lifetime award winners.

Julie Webb, DVM, DACVP, Instructor at Cornell
ASVCP Early Career Award Recipient: Dr. Mary Leissinger

The ASVCP Early Career Award was first given in 2017. It honors ASVCP members in the early stages of their careers who show exceptional promise in the discipline of veterinary clinical pathology through efforts in research, diagnostic service, teaching, and/or service to the Society. The award is restricted to individuals in the first six years of their careers after completion of residency training or advanced degree completion.

This year’s award recipient is Dr. Mary Leissinger.

Dr. Leissinger attended veterinary school at Louisiana State University. Following completion of a rotating small animal internship at the University of Tennessee, she returned to LSU for a combined clinical pathology residency and Masters program. She finished her thesis on a neutrophil recruitment method for a murine model of bacterial pneumonia and obtained ACVP diplomate status in 2014, when she joined the faculty at the University of Florida.

At UF, Dr. Leissinger was heavily involved in diagnostics, professional student education, and resident training. She received the University of Florida’s Educator Award and Educational Development Certificate in 2017. She has published numerous case reports, been on grants, and helped prepare the laboratory for AAVLD accreditation. She also served on university-level committees for curricular review, academic advancement, and educational strategic planning. She serves the ASVCP through her involvement on the Education Committee.

Dr. Leissinger now works for IDEXX Bioanalytics.

Please join us in congratulating her on her achievements.
ASVCP Educator Award Recipient: Dr. Robert Darren Wood

The ASVCP Education Committee is pleased to announce Dr. Robert Darren Wood, from the University of Guelph, as the recipient of the 2019 ASVCP Educator Award.

Dr. Wood’s seventeen years of teaching at the Ontario Veterinary College have included the training and mentoring of veterinary, master’s, and PhD students, as well as clinical pathology residents. His instruction has also included teaching pre-DVM students and a summer clinical pathology course to veterinarians from around the world with the goal of increasing their chance for North American licensure. Dr. Wood is noted to have a sincere desire to be an effective educator utilizing a student-centered interactive class environment, seeking out innovative technologies, and taking courses offered by Guelph to further his understanding of pedagogical methods. His efforts have been acknowledged with consistently high teaching evaluations and various teaching awards including the Canadian Veterinary Medical Association Teacher of the Year Award. Dr. Wood is also an educational leader at OVC serving on its curriculum committee for the last eight years.

Please join us in congratulating Dr. Darren Wood on his achievements.
Specific Items Handled by the President in 2019 included:

1. **Annual Meeting Agreement with ACVP.** A new memorandum of understanding was established between ASVCP and ACVP to detail cost sharing of the 2019-2023 annual meetings.

2. **Joint Trainee Membership with ACVP.** ACVP is proposing a new membership category for trainees. If the new membership category takes effect, a joint ASVCP/ACVP trainee membership category will also be created to reduce costs for trainees who elect to join both organizations.

3. **Joint meeting with ISACP in 2020.** The International Society for Animal Clinical Pathology (ISACP) holds a scientific conference every 2 years. In 2020, this conference will occur jointly with the ASVCP/ACVP annual meeting in Chicago, IL. ISACP will lead the ASVCP Pre-Meeting workshop in 2020 and will contribute several speakers to the Current Topics in Clinical Pathology and/or Clinical Pathology Scientific Sessions. ISACP members are also encouraged to submit abstracts for the scientific sessions and mystery cases for the case discussion or slide sessions.

4. **Resident Liaison Group.** A resident liaison group, comprised of 7 clinical pathology residents, was established to encourage resident activity in the society and provide ASVCP (Executive Board and Committees) with a direct source of resident communication. The resident liaison group has worked with the Web Committee, testing group messaging functions of the ASVCP website, and with the Education Committee, updating residency contact information.

5. **VLP Committee Status.** The Veterinary Laboratory Professionals (VLP) Committee has struggled to maintain membership and participation over the past few years. Discussions with VLP Chair (Nicole Rosen) and CoChair (Trellor Fraites) reveal that full committee status is no longer the best fit for the VLP group. Starting in 2020, the VLP group will be incorporated into the Program Committee whose members can assist VLP with planning its sessions at the annual meeting.

6. **Flow Cytometry Interest Group.** Discussed options for the flow cytometry interest group to join ASVCP in an official capacity. Logistics are being discussed, with a subcommittee of QALS considered the best option at this time.

7. **Annual Update of Executive Board Duties and Committee Charges**

8. **NewsBlast Presidents Message (x4)**

9. **Liaison to ACVP, VCP, ESVCP and Rees Group**

Additional/General Items Handled by the President and Executive Board

I. Monthly Executive Board meetings

II. Approval of QALS General Guidelines

III. Approval of RAC Reporting Clin Path Data Manuscript

IV. Approval of VCP editor, committee and general ASVCP budgets
President Elect’s Report

Submitted By: Amy Warren

1. Chair of the Clinical Pathology Focused Scientific Session for the ACVP/ASVCP Annual Meeting for San Antonio, TX.
   a. Committee members: Catherine Wagg, Michael Fry, Shawn Clark, Valerie Wong, Kathryn Wycislo and Karen Jackson
   b. All clinical pathology abstracts submitted to the clinical pathology focused session were reviewed and ranked
   c. 16 oral presentations and 20 poster presentations were selected
      i. 12 oral presenters are competing for the ASVCP Young Investigator Award.

2. Three invited speakers were recruited for two sessions.
   a. Drs. Mary Nabity (Texas A & M University) and Rachel Cianciolo (The Ohio State University) will present: “We’re not crazy! Integration of clinical pathology and tissue analysis for comprehensive kidney evaluation,” a presentation that explores renal pathology from the clinical pathology and anatomic pathology perspectives.
   b. Dr. David Eckersall (University of Glasgow) will present “International reference preparations for protein biomarker development for species specific assays”.

3. Liaison to Regulatory Affairs Committee
   a. Participated in regular teleconference calls with the Committee and Committee Chair, Adam Aulbach.

4. Liaison to Veterinary Laboratory Professionals Committee
   a. Worked with Committee Chair, Nicole Rosen, to brainstorm VLP sessions for the 2019 ACVP/ASVCP annual conference.

5. Miscellaneous
   a. Participated in monthly teleconference calls and all projects associated with the ASVCP Executive Board.
Immediate Past President’s Report

Submitted By: Kurt Zimmerman

1. Nomination of Executive Board Members and Election
   a. Call for nominees was published in the newsletter, sent to the general membership via email and published on the web
   b. Potential candidates were also contacted via email and phone communication
   c. The following individuals were candidates for the executive board positions:
      i. President-Elect - Dr. Darren Wood
      ii. Executive Board member- Laura Cregar
      iii. Treasurer-Elect - Dr. Sarah Barrett
   d. Candidate profiles were published in the newsletter and online voting took place in August.
   e. Our New Executive Board members are: Drs. Darren Wood, Laura Cregar and Sarah Barrett and they will start their terms at the annual meeting in San Antonio, TX.

2. Planning/Coordination of the 2019 ASVCP Pre-meeting Workshop
   a. Worked with Co-Chair, Laura Snyder, to identify a program topic
   b. Contacted potential speakers
   c. Compiled speaker notes and handouts for attendees
   d. Chaired planning sessions

3. ASVCP Lifetime Achievement and Early Career Awards
   a. Call for nominations for the Lifetime Achievement and Early Career Awards were published in the newsletter and on the web
   b. Nominations were reviewed by the committee
   c. Candidates were notified of selection outcome
   d. The Lifetime Achievement Award will be presented to Dr. Karen Young and the Early Career Award will be presented to Dr. Mary Leissinger

4. Young Investigator Awards
   a. Select a panel of judges to evaluate candidate presentations at the annual meeting in San Antonio, TX
   b. Winners of the Young Investigator Awards will be announced at the meeting

5. Participated in monthly Executive Board meetings
Secretary’s Report

Submitted by: Melinda Camus

1. Newsletter Statistics:
The quarterly electronic newsletter (ASVCP News Blast) was released on December 17, 2018; March 14, 2019; June 11, 2019; and September 13, 2019. Additionally, a supplement was released on January 18, 2019 to recap the annual ASVCP meeting in Washington, DC. Although this is the 4th year of publishing the ASVCP newsletter in the electronic News Blast format, the ASVCP transitioned to the use of Constant Contact software for the News Blast in September. A pdf version of the newsletter is also available in the Members Only section of the ASVCP website. The fourth quarter newsletter is scheduled for release in mid-December 2019 and a supplemental post-annual meeting newsletter is scheduled for release in mid to late January 2020. Articles for the newsletter were solicited from Executive Board members, the Veterinary Clinical Pathology Editor-in-Chief, Committee Chairs and other contributors 1-2 months in advance of the anticipated quarterly publication date. Huge thanks to Kaylee Walters and the production team at The Rees Group for their outstanding work on the newsletter this year.

2. Newsletter Content:
Four Microscopic Art Corner images were used in the quarterly newsletters this year. Thanks to Drs. Heather Wamsley (“Happy Holidays” and “In Celebration of Pi Day”), Laura Snyder (“April Showers Bring Splendore Hoeppli Sunflowers!”) and Julia Ryseff (“Hemoglobin Art Deco”) for their image contributions. New image submissions are always welcome and encouraged and can be sent to mscamus@uga.edu. Three “Getting to Know your Executive Board Member” articles were included this year for Drs. Julie Webb (President), Sarah Beatty (Treasurer), and Melinda Camus (Secretary). Congratulatory announcements were also included for the 2018 Share the Future Travel Award recipients (Drs. Danielle Gordon, Carolina Allende, Maria Naskou, Samantha Evans, Brady Kastl, and Diya Sharma) and the Young Investigator Award recipients (Drs. Jose Daniel Cruz Otero and Robert Harris). Congratulation announcements were placed in the September 2019 newsletter for the 2019 ASVCP Lifetime Achievement Award recipient (Dr. Karen Young), the 2019 ASVCP Educator Award recipient (Dr. Robert Darren Wood), and the 2019 Early Career Award recipient (Dr. Mary Leissinger). The first Share the Future Honor a Mentor recipient (Dr. Mark Johnson) was featured in the March 2019 newsletter. The Share the Future Committee welcomes continued contributions in honor of valued members. In-Memoriam features were published for Dr. Don Schmidt in the March 2019 newsletter and for Dr. Victor Edwin Oswald (Ted) Valli in the September 2019 newsletter. Lastly, announcement banners for the combined ASVCP/ESVCP Online Rounds and general Society notices were included in all newsletters.

3. ASVCP Snapshots:
Thank you to Dr. Lotti Hollinger and the members of the ASVCP website and communications group who have worked with support staff at the Rees Group to institute this new feature. The Snapshot feature is a “digital digest” version of the newsletter, which reminds members of important deadlines and upcoming events, and directs them to the website for important information. These Snapshots are sent to members between newsletters, in conjunction with important dates. These were sent on April 22, 2019, July 15, 2019, and October 8, 2019.

4. E-mail Blasts:
ASVCP e-mail blasts were sent out to Society members two to three weeks prior to the monthly Online Rounds sessions and before important ASVCP events such as elections, award nominations, and Mystery Case/Slide submission requests. Thanks to the support staff at the Rees Group for coordinating and sending out the e-mail blasts.
Secretary’s Report 2019 – continued

5. Meeting Minutes:
The draft minutes from the 2018 ASVCP Annual Business Meeting in Washington, DC, were made available online to members through a link in the supplemental January 2019 newsletter. A call for approval of these minutes will occur during the 2019 annual ASVCP Business meeting in San Antonio. Since the 2018 ASVCP Annual Business Meeting, the EB has held 10 monthly webinars/meetings on the following dates: 12/12/18, 1/9/19, 2/13/19, 3/13/19, 4/10/19, 5/8/19, 7/10/19, 8/14/19, 9/11/19, and 10/9/19. Minutes were taken for all webinars/meetings, as well as at the 2018 annual EB meeting and the 2018 ACVP Council lunch meeting in Washington, DC. Draft versions of all meeting minutes were distributed to executive board members for review and corrections. Finalized versions of the minutes were uploaded to Basecamp, the online central document depository managed by the Rees Group.

6. Documents:
Documents pertinent to ASVCP business are maintained by the Secretary in electronic format and are also uploaded to Basecamp. These documents are archived for easy retrieval at any time. Documents available for review include teleconference/ webinars and meeting minutes (2007-current), ASVCP newsletters (2007-current), the ASVCP Constitution and Bylaws, Executive Board position descriptions and SOPs, ASVCP executive board and committee chair contact information, including committee membership lists, and official position documents.

7. Membership:
New ASVCP member applications are received by the Rees Group and subsequently forwarded to the ASVCP Secretary. The Secretary distributes the applications to Executive Board members for review and approval on a quarterly basis. The EB reviewed and approved 42 ASVCP membership applications (see following list) from October 2018 through September 2019. Since memberships are for a calendar year and are not pro-rated, applications received after September 1 were held over for the following year. However, these applicants were granted member registration fees for attending the 2019 annual meeting and electronic access to Veterinary Clinical Pathology. As of September 30, 2019, ASVCP membership stands at 771. Membership is increased in part due to the creation of an Emerging Nations membership category that allows reduced rates for members from countries with a GNI per capita rate of <$12,236, as set by the World Bank. Many thanks to Rob Winters at the Rees Group for organizing membership matters.

New member applications approved from December 2018-September 2019 include:

Clark Broughton  Katy Morrison
Linn Clarizio  Vanessa Oakes
Kara DeNew  Pushkar Pal
Kelly du Preez  Heather Perry
Hamideh Esmaeilzadeh  Ester Quilez
Julie Fischer  Yolandi Rautenbach
Carisa Fraser  Arefeh Ravanbakhsh
Miranda Frohlich  Sonia Sanchez-Redondo
Marta Gruarin  Brodie Nelson Reinhart
Anise Happi  Kamila Sandoval
Allison Hayes  Fabio Santos
Jennifer Hollyer  Lisa Schlein
Stephanie Howell  Susan Smith
Christina Jeffries  Myrto Spyropoulou
Daisy Jones  Amy Tam
Reem Khamis-Dakwar  Karena Tang
Richard Kerr  Peter Toh
Márton Márialigeti  Holly Troche
Jessica Marin  Briana Trusiano
Guilherme Martins  Meagan Wheatley
Zoe Miller  Melissa White

***Lincoln Fidelity account opened FY16; all assets transferred into investment management.

# Money Market account closed in FY15.

## 36-month CD was closed on 1/14; cashed out for $51,550 and invested into PAX World funds.

### 36-month CD liquidated; reinvested based on advice of financial advisor.

Action Items:

1. Supporting Share the Future and fundraising to increase opportunities for trainees and membership benefits.
2. Employing practical solutions to maintain a balanced budget in the upcoming fiscal years.
4. Engaging in creative collaborations to mutually maximize financial benefits.
3rd Year Executive Board Member Report

Submitted By: Sharon Dial

This year I had the challenge of stepping up to the legacy left by Dr. Tracy Stokol in preparing the ASVCP mystery slides and cases for the 2019 sessions and continuing as liaison for two ASVCP committees, the Web and Share the Future Committees.

I want to thank all of the ASVCP members who submitted cases for our mystery slide and case sessions. These are valued and well attended sessions that bring our members together to share insights and experiences beneficial to all regardless of their tenure as clinical pathologist. I would like to give a special thank you to Dr. Lisa Viesselmann, who in fact did the lion’s share of the work in organizing the slides, reviewing and discussing the cases with me, and putting together the final case boxes. I look forward to robust discussions in the session. Start thinking of your questions for the presenters! I will do my best to moderate the sessions with the same skill as Dr. Stokol!

The Web Committee, as usual, has been working diligently on keeping our website a professional, useful, and beautiful face for our Society. “The SNAPSHOT” email is live and bringing our membership up-to-date and just in time information on what is happening in the Society in between our Newsletters. Committee chairs are reminded to contact the Web Committee if there is information they need to share with membership within the SNAPSHOT email. Dr. Lotti Hollinger deserves a huge thank you for captaining the committee through the redesign of the website. She is handing the wheel to Dr. Laura Black this year, placing the committee in good hands.

The Share the Future Committee along with the Education Committee have finalized and instituted the fundraising program for Online Rounds. Thank you to all the sponsors who have provided support for our monthly gathering of members to share cases and experiences. The “Honor a Mentor” campaign had its first honoree, Dr. Mark Johnson – a well-deserved honor. Mark has given continued and excellent service to the Society and our profession. This is a wonderful opportunity for members to support the Society and recognize those who have served as mentors in our professional journey. In addition, the committee has awarded six travel grants ($500 each) this year, and one research grant ($2500). The Share the Future Committee is our primary fundraising arm and continues to support the Society in securing the funding to allow us to grow and provide robust benefits to our members.
2nd Year Executive Board Member Report

Submitted By: Laura Snyder

Program Committee Liaison:
This year I had the pleasure of serving as the Program Committee Liaison. In addition to their efforts in organizing the Education Forum at the annual meeting, selecting the Educator Award recipient, organizing the residency externship program and managing SAVMA relations, they also took on the responsibility of managing online rounds.

While I have served as the moderator, they successfully recruited presenters in record time and secured panelists for each session with the help of Kaylee Walters. Importantly, they also spearheaded a fundraising campaign to help offset the costs of these valuable sessions. Please consider volunteering as a presenter or panelist for future sessions!

2019 ASVCP specialty sessions at the ACVIM Forum:
This year’s sessions at the ACVIM Forum in Phoenix, Arizona, were presented by Drs. Pete Christopherson, Melinda Camus, Brett Stone and Randolph Baral. The Society’s participation in the ACVIM Forum is an excellent opportunity for networking with our colleagues in internal medicine and to showcase the remarkable work being done in our specialty. Pete Christopherson (Auburn University) gave two outstanding talks on disorders of coagulation. In his first session, he focused on the clinicopathologic findings and molecular basis for canine inherited bleeding disorders. In his second session, he spoke on congenital macrothrombocytopenias, focusing particularly on genetic testing and the expanding list of breeds in which this condition has been identified.

With her extensive experience on the QALS Committee, Melinda Camus (University of Georgia) presented a critically informative session on quality assurance/quality control for point of care instruments. Brett Stone (QML Vetnostics) presented an outstanding lecture on disease prevalence, focusing particularly on the often-overlooked concepts of positive and negative predictive values.

Randolph Baral (Paddington Cat Hospital) gave two excellent talks on biological variation. His first talk focused on maximizing interpretation of clinical pathology findings. His second talk highlighted the work of the website vetbiologicalvariation.org. This website, which houses a multi-species database and study guidelines, has been established by a cross-disciplinary committee of veterinary clinical pathologists, internists and epidemiologists.
Committee Engagements:

This past year, I served as the liaison for two very busy and productive committees, the Program Committee and the Quality Assurance and Laboratory Standards (QALS) Committee. The Program Committee, chaired by Dr. Tina Meichner, has put together a program that I am sure the membership will both educationally benefit from and enjoy. This committee is also preparing for a joint meeting next year with the International Society for Animal Clinical Pathology (ISACP). The QALS Committee has worked diligently to update the guidelines “Principles of Quality Assurance and Standards for Veterinary Clinical Pathology” and a draft document was submitted to the membership for review. This was a Herculean effort spear-headed by the committee Chair, Dr. Jennifer Cook. Thank you to everyone on both these committees for your time and effort on behalf of our membership.

2020 ACVIM Forum:

The ASVCP arranges speakers for sessions on the Thursday and Saturday of the annual ACVIM meeting each year. In 2020, speakers are covering an array of diagnostically useful and timely topics.

Thursday:
Utility of flow cytometry in diagnosing lymphoma and leukemia
- Dr. Tina Meichner

Flow cytometric detection of RBC and platelet surface antibodies in the diagnosis of IMHA and ITP
- Dr. Nora Springer

Saturday:
Use hematology instrument dot-plots to know if the numbers reported are correct
- Dr. Harold Tvedten

Urine sediment analysis 1: What everyone should be able to recognize
- Dr. Harold Tvedten

Urine sediment analysis 2: What few are able to recognize
- Dr. Harold Tvedten

IRIS staging and the implications of using biological variation and population based reference intervals
- Dr. Russell Moore.

Thank you to these speakers for volunteering their time and expertise. Due to an enthusiastic response to the call for speakers, we actually have some “on-deck” for 2021. Let’s keep the proposals coming!
Veterinary Clinical Pathology Journal Report

Submitted By: Wendy Sprague

*Veterinary Clinical Pathology* is the journal for the American Society for Veterinary Clinical Pathology and the European Society of Veterinary Clinical Pathology.

**Editorial Staff:** Laura Brashear is the Managing Editor. There are currently eight Section Editors from the US and Europe/UK, who are listed below.

- Mehrdad Ameri, GlaxoSmithKline, Section Editor for Hematopathology and Toxicologic Clinical Pathology
- Erica Behling-Kelly, Cornell University, Section Editor for Clinical Chemistry
- Peter O’Brien, University of Dublin, Section Editor for Toxicologic Clinical Pathology
- Christine Olver, Colorado State University, Section Editor for Hematology
- Saverio Paltrinieri, University of Milan, Section Editor for Chemistry and Wildlife Studies
- Judith Radin, The Ohio State University, Section Editor for Reviews
- Rose Raskin, Purdue University, Section Editor for What Is Your Diagnosis? Articles
- Maxey Wellman, The Ohio State University, Section Editor for Cytology and Surgical Pathology

**Editorial Board:** We currently have 30 Editorial Board members, which include clinical pathologists, internists, and scientists from academic institutions, diagnostic laboratories, private consulting companies, and pharmaceutical/healthcare companies. Two statisticians are also on the Board. We have added 3 additional Board members this year.

**Affiliations:** VCP is also the affiliate journal for the International Society for Animal Clinical Pathology (ISACP) and the Australian Society for Veterinary Pathology (ASVP).

**Wiley-Blackwell:** Julianne Hopkins is the Associate Editor at Wiley-Blackwell. With her help, we have made some significant changes to the journal webpage. We have a new production manager at Wiley-Blackwell, Eva Prenitta. She was hired to have direct contact with the typesetters and improve on and standardize copyediting at the journal. We continued to use the AMA Manual of Style for formatting, and it has hopefully streamlined the copyediting process. We appreciate Wiley’s commitment to a high standard for production of the VCP journal.

**Impact Factor:** The 2-year impact factor for 2019 was released in June and is 0.948, which is a slight increase from last year. This looks at the period up until the end of 2017. We hope that the impact factor will continue to rise in the coming years with a yearly Special Issue as well as soliciting for quality original and review articles.

**Conference Proceeding Abstracts:** With the December 2019 issue, we should be up to date with publication of conferences from the ASVCP, ESVCP, and ISACP. From here, we will publish the proceeding abstracts closer to the meeting dates.

**Special Issues:** The VCP special issue will be out by the time this business report is released. It took a bit longer than we thought, but we have nine articles for this issue; three review articles, four original articles, and two technical reports, which is great!

Hopefully, we will receive great articles for the next issue on bone marrow as well, which was just announced on the list-serv and the ASVCP Facebook page.
Journal Report 2019 – continued

For this 2020 Special Issue, we are seeking papers on bone marrow diseases and analyses to align with the ASVCP pre-meeting workshop and the ESVCP intra-meeting workshop. Some manuscript suggestions are evidence-based reviews of metastatic and/or infectious diseases of the marrow in veterinary species and bone marrow analyses in lab animal species. For this issue, review articles, original articles, and case reports will be considered.

If you are interested in submitting an article for the bone marrow issue, please contact us at vetclinpathjournal@gmail.com or contact Judith Radin, our Special Issue section editor, to discuss any ideas, or if you have any questions. The submission deadline is May 31, 2020.

Quality Assurance and Laboratory Standards webpage moved to the journal website: The QALS page is up and running. We have a 10-year QALS update slated to appear in the December issue. All QALS manuscripts are freely downloadable.

Regulatory Assurance Committee Special Reports: Two special reports on the interpretation and reporting considerations on nonclinical toxicology studies were published. These reports are also freely downloadable.

Publication Ethics: As a Wiley-Blackwell journal, Veterinary Clinical Pathology is a member of COPE, the Committee on Publication Ethics (http://publicationethics.org/). COPE promotes the highest standards of publication ethics, provides a code of conduct for journal editors, and is a forum for editors and publishers of peer-reviewed journals to discuss publication ethics. Authors are notified that all manuscripts considered for publication in VCP are screened for plagiarism using a plagiarism detection system, iThenticate.

Reviewers: In the past year, 225 reviewers have agreed to contribute their knowledge and time to the journal. The reviewers have diverse backgrounds in a variety of disciplines and their participation in the peer review imparts quality to the journal, which has a direct effect on its success. We greatly appreciate the efforts of all the reviewers.

Author guidelines: We encourage all authors to follow the author guidelines when writing manuscripts for the journal.

* We have also accepted 4 YTT and 3 Editorials.

Figure 1: This graph shows the average days from submission to original decision, original decision to final decision, and final decision to export to Wiley. The main difference from 2014 to 2017 has been a marked decline in the final decision to export.
Journal Report 2019 – continued

**VCP downloads:** Veterinary *Clinical Pathology* has received over 132,000 full-text downloads so far in 2019. This represents nearly a 30% increase over the same period last year.

Education Committee Report

Submitted by: Chair: Ashleigh Newman | Incoming Chair: Austin Viall
Executive Board Liaison: Laura Snyder

Committee Members:
- Kate Baker
- Liesl Breickner
- Shannon Dehghanpir
- Charlotte Hollinger
- Cheryl Lawson
- Mary Leissinger
- Devorah Marks Stowe
- Cheryl Moller
- Ashleigh Newman
- Nicole Rosen
- Austin Viall

Dates of teleconferences:
- March 19, 2019
- June 11, 2019
- August 14, 2019 (Chair and incoming Chair with Executive Board)
- September 9, 2019

Committee objectives and accomplishments:
- Coordinate ASVCP Online Rounds (new for 2019)
  - Devorah Stowe volunteered to be in charge of scheduling presenters and panelists for our Committee’s first year of coordinating online rounds.
  - Thank you to our EB liason, Laura Snyder, who is a regular volunteer panelist.
  - If you are interested in presenting or being a panelist in 2020, please reach out to Ashleigh Newman (alw43@cornell.edu), who will be coordinating next year’s schedule.

- Create sponsorship program for ASVCP Online Rounds (new for 2019)
  - In order to help financially support the ever popular monthly online rounds, our committee started a sponsorship program, led by incoming Chair Austin Viall.
  - Individuals, companies, or universities can donate at one of four different levels: platinum ($1200 or more), Gold ($600-1,199), Silver ($300-599), or Bronze ($100-299).
  - Incentive for sponsors includes their name (if they wish) on all promotional materials, including on the archived video recording of online rounds. Platinum level sponsors will be displayed for one year (4 NewsBlasts), Gold for 9 months (3 NewsBlasts), silver for 6 months (2 NewsBlasts), and Bronze for 3 months (1 NewsBlast). Sponsors will be listed on the ASVCP website, even after their period of sponsorship is over.
  - Lotti Hollinger made the information and sponsorship form available on the ASVCP website.
  - Coordinate shared ACVP / ASVCP booth at the annual SAVMA Symposium (new for 2019)
    - March 9 – 11, 2019, at the University of Georgia
    - Cheryl Moller led this effort on behalf of the ASVCP.
    - Thank you to the Clin Path group at UGA for “manning” the booth at the symposium.
    - The 2020 symposium will be at Cornell, so Ashleigh Newman will be the point person for next year.

- Choose recipient for 2019 ASVCP Educator Award
  - The recipient of this year’s Educator Award is Dr. Darren Wood of the University of Guelph.
  - This was the first year in which applications were submitted and compiled entirely through the ASVCP website. Thank you to Lotti Hollinger and the Web Committee for this accomplishment.
Education Committee Report 2019 – continued

- Administer Resident Externships in Academia program
  - Thank you to the ASVCP Executive Board for selecting our grant proposal for the third year in a row and funding this worthwhile program.
  - This year’s recipients of $1,000 each are: Dr. Elise Russell of the University of Melbourne and Dr. Carolina Azevedo of Texas A&M University. Dr. Russell will be traveling to the Royal Veterinary College and Dr. Azevedo to Colorado State University for externships.
  - This was the first year in which applications were submitted and compiled entirely through the ASVCP website. Again, thank you to Lotti Hollinger and the Web Committee for this accomplishment!

- Plan ASVCP Education Forum for Discussion for annual meeting
  After last year focused on student teaching, we decided to have this year focus on resident teaching.
  This year’s forum is entitled, “Practical QA and QC training for clinical pathology residents,” and will be led by Dr. Bente Flatland, Associate Professor and Clinical Pathology Laboratory Director of the University of Tennessee College of Veterinary Medicine.
  In this session, Dr. Flatland will first present suggested learning objectives for clinical pathology resident QA/QC training, including methods to teach this material. This will be followed by an audience exchange of ideas and perspectives on the topic. All are welcome to attend including pathologists, residents, medical technologists, veterinary technicians, lab managers and veterinary students. We hope we have a diverse audience in attendance to contribute to a lively discussion!

- Plan Resident and Clinical Pathologist Meet and Greet for annual meeting
  - Shannon Dehghanpir heads this effort.
  - This year will be our second Team Jeopardy event with three established clinical pathologists as team captains. Thanks to resident feedback, we’re going to slow things down a bit and encourage “get to know your teammates” opportunities!
  - 2018 had a great turnout and we hope for the same in 2019!

- Coordinate SAVMA student seminar stipends
  - Kate Baker heads this effort.
  - Information on school eligibility by year, along with the stipend request form can be found on the ASVCP website. Final shout out to Lotti and the Web Committee!

Goals for 2020:

- Keep doing all the tasks above, and…!
- Work on developing Clinical Pathology Core Competencies document for graduating veterinarians
  - Sub group volunteers: Ashleigh Newman, Austin Viall, Cheryl Moller, Kate Baker, Liesl Breickner
  - Highlight competencies within the new AAVMC Competency-Based Learning Program, which veterinary colleges are in the process of adopting and integrating within their existing curriculums.

- Work with QALS committee on developing QA/QC clinical case bank for teaching purposes
  - Austin and Ashleigh are currently working with QALS Committee leadership in this pilot effort and plan on recruiting committee volunteers to continue work.

- Recruit new members who want to join our committee and bring fresh energy and new ideas!
Online Rounds

Submitted By: Devorah Marks Stowe, Austin Viall, and Kaylee Walters

The organization of the Rounds has been moved under the charge of the Education Committee and is a cooperative effort between the Education Committee, presenters, Sharon Dial, Laura Snyder, and The Rees Group.

Twelve Rounds were scheduled for 2019, and 10 have been presented to date. Summary of activities and accomplishments:

Online Rounds – continued

Objectives of Online Rounds

The Online Rounds were developed to bring our colleagues together throughout the year to share interesting cases in an informal setting. The Rounds allow our residents to see cases through the eyes of clinical pathologists at institutions other than their own in hopes of broadening their experience. For the presenters and others established in their career, it allows the exchange of ideas, provides a platform to present puzzling cases for insight, showcase excellent examples of disease in process, or just show off beautiful microscopic specimens. Discussion is encouraged through questions-and-comments moderated by a panel of clinical pathologists and the presenter (Laura Snyder, Education Committee Board Liaison, is the question and comments moderator for 2019). The Rounds are presented using Go-To-Webinar and employ real-time viewing using video-microscopy.

Early in 2019, sponsorship of Rounds was implemented, and Austin Viall, incoming Chair to the Education Committee, spearheaded this effort. Sponsorship is solicited by a rotating slide deck projected at the beginning of each session. The sponsors are recognized in each issue of the newsletter, on the Online Rounds webpages, in each email promoting the month’s presentation, and during the Business Meeting presentation each year. The length of time that each sponsor is included in promotion depends on the level of his or her sponsorship. To sponsor online rounds, one can either submit his or her information on the ASVCP website and then be directed to complete their financial payment on the ACVP website, or else they can submit a check directly to the ASVCP administrative offices.

### Objectives for 2020

Identify new presenters and encourage those who presented this year to continue in supporting the program. Continue to promote opportunities for sponsorship of Online Rounds.
Program Committee Report

Submitted By: Kristina Meichner - Chair
Executive Board Liaison: Erica Behling-Kelly

Committee Members:
- Paula Krimer
- Lauren Radakovich
- Julie Allen
- Amy Warren - President-elect
- Nicole Rosen - VLP chair

Dates of conference calls/meetings:
- Two breakfast meetings (Program Committee and VLP Committee) at the 2018 annual ACVP/ASVCP meeting in Vancouver
- December 10, 2018: conference call to discuss joint meeting with ISACP in 2020
- December 11, 2018: conference call with PC to discuss potential topics and speakers for 2019 meeting
- January 17, 2019: conference call with ASVCP President and President-Elect
- February 4, 2019: conference call with VLP group
- March 22, 2019: conference call with ACVP Education Committee
- April 13 and 14, 2019: ACVP Education Committee Meeting and meeting with ACVP Council, Chicago, IL
- June 21, 2019: conference call with ACVP Education Committee
- August 14, 2019: conference call with ASVCP EB
- October 15, 2019: conference call with ACVP Education Committee
- All other business conducted via email

Committee objectives and accomplishments:

Objectives for 2019:
- Start organizing a joint ASVCP/ISACP meeting in 2020, Chicago.

Accomplishments 2019:
- All components of the 2019 meeting are finalized. This includes the Education Symposium, the VLP sessions, the Clinical Pathology Focused Scientific Sessions, the Mystery Slide Session, the Case Review Session, the ASVCP Current Topics Session, and pre-meeting workshop.
- The theme for the ASVCP Current Topics in Clinical Pathology session is ‘Infectious Diseases’. The invited speakers include Dr. Jessie Monday (Texas A&M Diagnostic Laboratory Amarillo) who will be speaking on bovine hemoparasites, Dr. Kelly Santangelo (CSU) who will be speaking on the challenges in diagnosing feline infectious peritonitis (FIP), Dr. Connie Gibas (University of Texas, School of Medicine) who will give an update on the identification of fungal diseases from a human international clinical mycology reference laboratory perspective, and Dr. Julie Piccione (Texas A&M Medical Diagnostic Laboratory) who will be speaking on *Borrelia* spp. infections in dogs including Lyme disease and tick-borne relapsing fever.
- Several ASVCP Program Committee (PC) members rotated off (Bruce LeRoy, Janelle Renschler, Cindy Fishman). A big thank you for their valuable time serving the PC!
- Recruited new ASVCP PC members: Lauren Radakovich and Julie Allen
- Started to organize joint ASVCP/ISACP meeting in 2020 (Chicago)
- The VLP group will be incorporated into the ASVCP PC starting after the 2019 annual meeting.
Program Committee Report – continued

Objectives for 2020:

▪ Organize the ASVCP Current Topics session for the 2020 meeting, including the overall theme and invited speakers with attention to an international focus.

▪ Assist the ASVCP president elect in selection of keynote speakers for the Clinical Pathology Focused Scientific Sessions for the 2020 meeting.

▪ Communicate with, assist, and organize with ISACP the upcoming joint ACVP/ASVCP/ISACP meeting in 2020.

▪ Assist the VLP group, which will be a subcommittee of the ASVCP PC, with speaker selection and organizational components of the 2020 VLP program. Consider appointing an ASVCP PC liaison.

▪ Assist with organization of the 2020 pre-meeting workshop and assist other ASVCP groups with organizing their component of the 2020 annual meeting.

▪ Recruit a new ASVCP chair for 2021.

▪ Work as liaison with the ACVP Education Committee in organizing the combined meeting with AAVLD in 2023.

▪ We will also continue to actively recruit new members.
Quality Assurance and Laboratory Standards (QALS) Report

Submitted By: Jennifer Cook, Chair
Executive Board Liaison: Erica Behling Kelly

Committee Members:
- Arnold, Jill (jarnold@zoquaticlab.com) Secretary
- Camus, Melinda (mscamus@uga.edu) [ex-officio]
- Cook, Jennifer (jennifer-cook@idexx.com) Co-Chair 2020
- Freeman, Kathy (kathy.freeman01@gmail.com)
- Giori, Luca (lgiori@uku.edu)
- Harr, Kendal (drharr@urikapathology.com)
- Hooijberg, Emma (emma.hooijberg@up.ac.za)
- Jeffery, Unity (unityjeffery@gmail.com)
- Korchia, Jérémie (jeremie.korchia@yahoo.fr) Co-Chair 2020
- Meindel, Mandy (mandy.meindel@covance.com)
- Moore, Russell (ar.moore@colostate.edu)
- Sisson, Sandy (ssct26@cornell.edu)
- Stacy, Nicole (stacyn@ufl.edu)
- Szladovits, Balazs (bszladovits@rvca.ac.uk)
- Vap, Linda (linda.vap@colostate.edu)

Dates of conference calls/meetings:
- January 22, 2019 (teleconference)
- April 9, 2019 (teleconference)
- July 9, 2019 (teleconference)
- October 8, 2019 (teleconference)
- November 10, 2019 (breakfast meeting in San Antonio)
- Several subcommittee meetings (teleconferences)

Committee objectives and accomplishments:
- We welcome new member, Dr. Nicole Stacy! Dr. Stacy is a Clinical Assistant Professor at University of Florida with a special interest in aquatic pathology.
- The 10-year revision of the “general guideline”, Principles of Quality Assurance and Standards for Veterinary Clinical Pathology, has been reviewed by ASVCP membership and has been accepted by Veterinary Clinical Pathology for publication. New topics include: total quality management, immunocytochemistry, & electrophoresis/imunotyping. All sections have checklists.

New projects in 2019 include:
- Partnering with Veterinary Clinical Pathology to streamline guidelines for authors and editors for papers containing or focusing on reference intervals
- In concert with the Education Committee, development of QA/QC educational materials for veterinary and clinical pathology resident curricula
- Drafting quality assurance guidelines for general practitioners running in-clinic labs
- Summary of evidence of the literature for blood typing and crossmatching

- Support of the Association of Zoos and Aquarium’s SAFE project (Saving Animals From Extinction)

Thank you to Wiley for our online freeware page housing the published versions of QALS’ guidelines: https://onlinelibrary.wiley.com/page/journal/1939165x/homepage/Qals. PDF archives are also available on this site.

Objectives for 2020:
- Publication of 10-year general guideline revision in Veterinary Clinical Pathology (anticipated December 2019), with press announcements of its existence in other journals, to include those geared at veterinary technicians
- Review policy for publication of QALS’ guidelines, with possible consolidation to VCP editorial board with routing links on the QALS page of asvcp.org. Collaborate with web committee and VCP editorial staff/Wiley on format/web design.
- Publication of guidelines for general practitioners
- Support, as requested, the work of the Clinical Flow Cytometry User Group
- Continue the work of the following subcommittees: creation/publication of QA guidelines for general practitioners; development of useful criteria/checklists for authors and reviewers of papers with reference intervals; development of QA/QC educational materials for veterinary students/pathology residents; summary of evidence work for blood typing/crossmatching; support of AZA SAFE. These projects may entail collaboration with other committees/working groups/interest groups/societies.
- Consider commencement of a TEa endocrinology guideline
- Provide continued support, as requested, to AAHA, NAVTA, ACVPT, and other organizations with regard to QA/QC in veterinary medicine. Place announcements of all the QALS guidelines in the journals/newsletters of technician societies, per their previous requests.
- Successfully navigate a committee leadership change: Jennifer Cook and Jérémie Korchia will serve as co-chairs in 2020.
- We invite new interested members! Please contact: jennifer-cook@idexx.com jeremie.korchia@yahoo.fr
Regulatory Affairs Committee (RAC) Report

Submitted By: Adam Aulbach, Chair  
Executive Board Liaison: Amy Warren

Committee Members (n=13):
- Adam Aulbach (adam.aulbach@mpiresearch.com) Chair  
- Tara Arndt (tara.arndt@covance.com) Incoming Chair  
- Kate Biddle (kathleen.biddle@pfizer.com)  
- William Siska. (william.siska@crl.com)  
- Laura Cregar. (laura.cregar@mpiresearch.com)  
- Niraj Tripathi (niraj.tripathi@covance.com)  
- Eric Fish (eric@lacunadiagnostics.com)  
- Yemi Adedeji (yemi.adedeji@gene.com)  
- Elizabeth Besteman, (elizabeth.besteman@merck.com)  
- Mike Logan (michael.logan@abbvie.com)  
- Adi Naor (adi.wasserkug_naor@novartis.com)  
- Eric Schultz (schultz_albert_eric@lilly.com) SRPC Liaison  
- Amy Warren (alwarren@ucalgary.ca) EB Liaison

Dates of Meetings/Conference Calls Since Last Report:
- Jan 29, Mar 19, June 10, Sept 10, OCT, DEC (planned)

Purpose:
The Regulatory Affair Committee (RAC) of the ASVCP strives to advance toxicologic clinical pathology in industry by educating, promoting communication and publishing contemporary best practices for clinical pathology in industry. Primary RAC activities include sponsorship of resident externships in industry, development and publication of guidelines for veterinary clinical pathology aspects in industry, and fostering of collaboration with ACVP and STP to improve harmonization efforts. The RAC also surveys government regulatory agencies, national and international committees, the pharmaceutical industry, professional organizations, and oral and written communication for current and impending legislation/regulations or publications that may affect the daily business of our membership. The RAC forms consensus opinions and responds appropriately to these agencies on behalf of the ASVCP. Many of our members are employed in the industry (contract research organizations, biotech, pharmaceutical, agrochemical and food industries, and private diagnostic laboratories).

Current Year Objectives/Activities:
- Continue to develop guidelines and useful publications for veterinary clinical pathology aspects in industry. Specifically, continue work on manuscripts or projects in development which include the following:
  - Points to Consider Manuscripts: Reporting and Interpretation of Clinical Pathology in Nonclinical Toxicology Studies (Aulbach – in press)

- Severity Scoring in Clinical Pathology (Tripathi - ongoing)
- Correlating Clinical Pathology Findings in Toxicology Studies (Siska - Chapter in progress)
- Continue to secure funding for externships in industry for clinical pathology residents. Collect applications and adjudicate the selection of one or more residents as funds permit.
  - Secured $2000 (+ $300 not hosting a meeting at the annual meeting) for scholarships for 2019
- Awarded scholarships to 2 recipients for externships in Industry  
  - Candice Chu – Texas A&M  
  - Jere Stern – University of Florida
- Continue to foster ties with organizations such as the ACVP and the Society of Toxicologic Pathology (STP) to improve communications and harmonization efforts.
  - Established a liaison with SRPC (Scientific and Regulatory Policy Committee)
  - Eric Schultz is RAC/SRPC liaison for 2018-19
- Tara Arndt will be taking over as RAC Chair beginning January 2020 for a 3-year term

Other accomplishments in 2019:
- Publications

- Amy Warren added as 2019 EB Liaison
- Adi Naor added as new RAC member
- Elizabeth Besteman added as new RAC member

Objectives for the remainder of the year:
- Continue to foster ties with and cooperation with organizations such as ACVP, STP as well as international groups to improve communication and harmonization efforts.
- Keep the membership informed of regulatory issues facing our membership.
RAC Report – continued

- Continue to survey government regulatory agencies, pharmaceutical industry, national and international committees, meetings, and oral and written communication for issues affecting our membership.
- Update the EB on draft guidelines in progress (pertaining to best practices in clinical pathology and/or others) and submit these for publication.
- Continue to develop guidelines for clinical pathology in industry.
- Continue to develop advocacy plans that promote the role of veterinary clinical pathology in regulatory environments.
- Keep membership informed of committee activities and regulatory issues via article(s) in ASVCP newsletter and Facebook posts, as appropriate.
Share the Future Committee Report

Submitted By: Laura Cregar, Chair
Executive Board Liaison: Sharon Dial

Committee Members
- Laura Cregar, Chair (Laura.cregar@crl.com)
- Eric Fish, upcoming Chair (eric@lacunadiagnostics.com)
- Carolyn Grimes (cgrimes@gmail.com)
- Natalie Hoepp (nataliehoepp@gmail.com)
- Bill Reagan (william.reagan@pfizer.com)
- Johanna Rigas (johanna.rigas@gmail.com)
- Chuck Wiedmeyer (wiedmeyerc@missouri.edu)
- Erica Behling-Kelly (eb85@cornell.edu)
- Nora Springer (nlspring@veterinary.k-state.edu)

Committee Objectives
The STF Committee reviews applications, selects awardees of travel and research grants for clinical pathology residents, graduate students, and veterinary students and develops innovative strategies and/or programs that encourage both short-term and long-term donor support for Society activities and educational events associated with the annual meeting.

Summary of 2019 Activities
Travel Grant Awards: Share the Future travel grants are intended to help offset travel costs for clinical pathology residents or graduate students giving talks or poster presentations at the Annual Meeting. Eight travel grant applications were received for six awards. All residents were verified to be giving a presentation (poster or oral) at the upcoming meeting, and received the award:
- Dr. Priscila Serpa (Purdue University)
- Dr. Ioannis Oikonomidis (University of Edinburgh)
- Dr. Jennifer Bouschor (University of Minnesota)
- Dr. Alyssa Brooker (University of Georgia)
- Dr. Gary Lee (University of Guelph)
- Dr. Katherine Morrison (Ontario Veterinary College)

Criteria for award selection included: stage of training, availability of funding from the home institution, the distance applicants must travel, ASVCP membership status and type of presentation (oral vs. poster).

Research Grant
Share the Future research grants are intended to help support research by clinical pathology residents and graduate students. Grants are $2,500. Three research grant applications were received for one award. The award was chosen after considering the quality of the research proposal, the potential for contributing to the knowledge base of veterinary clinical pathology, the amount of institutional funding, and ASVCP membership status. The committee reviewed each proposal and arrived at a consensus of awarding $2,500 to the following recipient:
- Dr. Priscila Serpa (Purdue University) – Validation of a flow cytometry-based cell and differential counts in chickens.

We look forward to hearing the outcome of this work! Share the Future grants are made possible through the support of ASVCP members and corporate sponsors, and we thank them for their contributions and continued support of these important activities! We will be looking to increase the number of awards in the future pending the success of future fundraising campaigns, with possible consideration of grants to support resident projects vs. Masters’ or PhD research.

Continued Fundraising
The STF Committee has the following active fundraising campaigns:
- The “Honor a Mentor” campaign was introduced this year. We have worked with the Web Committee to update the STF web page to include information regarding the campaign and an online donation form. So far we have received one donation. Mark Johnson was honored by a group of his colleagues and former residents, and this information, including statements by two of his former residents, are currently posted on the web page (with permission).
- Sponsorship of Online Rounds has also been introduced this year. STF worked with the EB, the Rees Group and the Education Committee to formalize and streamline the sponsorship process. The Education Committee has done a great job advertising and coordinating Online Rounds sponsorship!
- A live auction will not be held this year. The Rees Group will be available at the ASVCP Reception to facilitate donations.
- As always, members can donate on the STF homepage.

Website/Communication
The STF awards section of the website has received several updates. The website has been updated for consistency and content. Online Travel and Research Grant applications have also been created. The on-line portal greatly streamlined the Travel and Research Grant application review process! We extend our sincere thanks to Lotti Hollinger for patience, cooperation and perseverance in all of the website efforts!
Veterinary Laboratory Professionals Committee Report

Submitted by: Nicole Rosen, MT (ASCP)

VLP Committee Members
- Nicole Rosen - Chair, Program, Education, Newsletter
- Trelor Fraites – Co-Chair, Web Outreach
- Amy Warren
- Faye Hartman
- Roberta Moorhead
- Marion Bushey
- Helen Kocmarek
- Brittany Szczek
- Sandy Sisson
- Jill Arnold

Charges for the Veterinary Laboratory Professionals:
- With the ASVCP Program Committee, the VLP committee planned speakers and topics for the 2 VLP sessions and will join the ASVCP Current Topic session as our 3rd session.

Topics for the 2019 meeting will focus on Point of Care Testing (POCT), Basic Cytogram understanding in regard to Idexx ProCyte and Siemens Advia 2120i along with a wellness session by Dr. John Christian.
- The program and budget for the VLP Sessions were submitted and approved by the EB.
- Planned program topics were chosen from suggestions received from our annual committee meeting and EB.
- RACE continuing education credits are given for all VLP lectures to encourage participation by newer laboratory professionals.
- We continue to assess attendance at the VLP sessions at the annual meeting and list factors that impact negative or positive trends.

Possible Reasons for negative trends:
- Overlap of ASVCP Current Topics with VLP Sunday morning sessions.
- 2018 VLP joining the ASVCP Current Topic session proved to be a success so we are continuing this process for the 2019 meeting.
- Staffing –many labs are short staffed due to a decline in MT/MLT/MLS and salary packages.
- Many universities are going through a classification/pay band change. Universities are not keeping up with market salaries, benefits no longer outweigh the pay cut.
- The VLP provided a written article for the ASVCP News Blast.
- The VLP listerv continues to be hosted by The University of Wisconsin with Faye Hartman as the coordinator.

Note:
On Monday, November 11th, from 7:00 am to 8:00 am, in San Antonio, TX, the VLP will host our annual committee meeting. Our agenda for our 2019 committee meeting:
- Future of the VLP Committee
- 2020 VLP CE Sessions – Topic Discussion

All VLP committee members & interested ASVCP members are welcome to attend
Web Committee Report

Submitted by: Charlotte (Lotti) Hollinger (chollinger@wcs.org), Chair
Executive Board Liaison: Sharon Dial (sdial@email.arizona.edu)
ASVCP Staff Liaison at The Rees Group: Kaylee Walters (kwalters@reesgroupinc.com)

Committee Members:
- Laura Black (klockow@gmail.com) Incoming Chair
- Kate Baker (Kate.Baker@antechmail.com)
- Francisco Conrado (fcondrado@ufl.edu)
- Pierre Deshuillers (pdeshuil@purdue.edu)
- Nicole Fernandez (nicole.fernandez@usask.ca)
- Courtney Johnson (joh02887@umn.edu)
- Gwendolyn Levine (gilevine@cvm.tamu.edu)
- Jennifer Owen (Jennifer.Owen@antechmail.com)
- Davis Seelig (dseelig@umn.edu)

Conference Calls/Meetings:
- Teleconferences: December 13, 2018 and in 2019: January 14, February 14, March 14, April 11, May 9, June 13, August 8, September 12, October 10
- Breakfast Meeting scheduled for November 11, 2019

Summary of 2019 objectives and activities:
- Refreshed the ASVCP Social Media presence
  - The 2018 social media proposal was put into action: the private ASVCP FB page was closed, the public Facebook @ASVCP was updated, and the ASVCP Instagram page was established in January 2019. As of October 2019 Instagram @vetclinpath has over 1,200 followers, 35 posts, and "stories" added every few days. A written guideline/disclaimer for the content of the ASVCP social media platforms was created. Public comments to our refreshed social media presence have been positive. The web committee attempts to reciprocally use Facebook, Instagram, and ASVCP.org to publicize and engage members in ASVCP activities and opportunities.
- Established the ASVCP SNAPSHOT email digest
  The SNAPSHOT digest was proposed in January 2019 and approved by the EB in March. The first edition was disseminated in April 2019. The purpose of the digest is to help ASVCP members stay current and informed with quick links to relevant news and activity highlights. The timing is currently set to fall between NewsBlasts. Informal feedback has been positive. Metrics show approximately 60% of recipients opened the first two digests and half of those clicked on links. A member feedback survey is planned for 2020.
- Created online submission systems for ASVCP award, scholarship, nomination, and donation/sponsorship opportunities (listed below). The systems worked well overall with positive feedback from overseeing committees and only minor changes planned for 2020.
  - Lifetime Achievement Award
  - Early Career Award
  - Educator Award
  - Mystery Slides submission
  - Case Discussions submission
  - Share the Future Travel Grants
  - Share the Future Research Grants
  - Regulatory Affairs Committee Resident Externship in Industry
  - Education Committee Resident Externship in Academia
  - Student Seminar Stipend
  - Share the Future and Honor a Mentor
  - Online Rounds Sponsorship
- Established an ASVCP image bank, updated ASVCP.org header images, and created a watermark
  The image bank contains inventoried images with submitter information and case/image interpretation. The bank is used to create header images spanning a variety of species, sample types, and diagnoses. The header images are selected quarterly for display at ASVCP.org, serving as a built-in ‘mystery image’ system. Images used for ASVCP social media purposes include the ASVCP watermark.
- Completed investigation of digital slides (whole slide images) hosting options and provided a summary report to the EB in March 2019
  The report (March 2019) included a discussion of goals, needs, solution components, options, and limitations. Options included: private/commercial partnership or outsourcing, university or other not-for-profit partnership, do-it-yourself, and grant funding. A private sponsor demo was set up in Oct-Nov 2019
- Made improvements to the website including:
  - Updated latest news and calendar items, improved organization of awards and activities, updated home page and menus
Web Committee Report – continued

- Worked with TRG and YM to address website display, responsiveness, and function problems
- Created Trainees page to include more information for students and residents
- Updated Career Center page to more clearly communicate to different stakeholders how to search and post
- Worked with QALS Committee to update Guidelines page including links to Wiley
- Worked with the Program Committee to create a more informative 2019 Annual Meeting page, new Meeting Highlights page, and updated Past Meetings pages
- Updated and clarified members-only access vs. public access to Wiley pages after The Rees Group worked with YM to create a solution for single sign on issues
- Evaluated the built-in website capability for website-driven newsletter templates and, due to ineffectiveness, recommended against using the system. The Rees Group will continue to use a publishing platform for newsletters.
- Compiled ASVCP Mystery Slide and Case Archive
  - Most case history and summary documents back to 1980 have been compiled and an updated repository for member access at ASVCP.org is underway for completion in 2020
- Completed administrative tasks
  - Completed Pre-Meeting Workshop Proposal focused on image optimization, digital pathology and artificial intelligence, and submitted this to the EB for consideration
- Submitted budget, mid-year and end-of-year newsletter and committee reports
- Reviewed committee membership, including next incoming chair, retiring members, and new member recruitment
- Investigated built-in YM platforms (Groups, SocialLink) vs. Basecamp for committee and member communication functions
  - Created guidance documents, reached out to other ASVCP committees, and engaged an active resident group. Summary and recommendations compiled and distributed to ASVCP committees.
- Established accounts for monitoring of web analytics

Objectives for 2020

- Continue web development with engagement of committees and general membership
- Continue to highlight ASVCP activity and opportunities (e.g., latest news, social media)
- Solicit member feedback via a survey about the new ASVCP website, social media, and communications (Email, Newsblast, Snapshot)
- Update or overhaul the Training Program portal
- Finish ASVCP annual meeting mystery slide and case discussions archive
- Develop instruction documents for web content and maintenance
- Assess web analytics and continue to monitor metrics
- Perform committee maintenance and recruitment of new members. We welcome new interested members, or suggestions for who might be interested! No experience required!
ASVCP
AMERICAN SOCIETY FOR VETERINARY CLINICAL PATHOLOGY

TO CONTACT A COMMITTEE CHAIR PLEASE VISIT OUR WEBSITE AT:
WWW.ASVCP.ORG

ASVCP 2020 Volunteer Form

Yes, I would be interested in finding out more about the volunteer opportunities with the following committees:

(Check as many committees as you are interested in.)

___ Education ___ Quality Assurance and Laboratory Standards ___ Program
___ Regulatory Affairs ___ Website and Digital Media ___ Share the Future

Your Name: _________________________________________

Phone Number: _______________________________________

Email Address: _______________________________________

* Please return this form to the registration desk or email a copy of it to info@asvcp.org.*
We have the solution!
The American Society for Veterinary Clinical Pathology provides a $150 stipend for a student seminar led by a board-certified veterinary clinical pathologist.

For additional information: visit www.asvcp.org or contact Dr Kate Baker at Kate.Baker@antechmail.com
HAVE YOU HAD A CHANCE TO JOIN THE ASVCP/ESVCP ONLINE ROUNDS?

Starting in April 2014, ASVCP/ESVCP has provided monthly real time online cytology/hematology rounds featuring cases presented by an esteemed member.

Come join us for great cases from puzzlers to beautiful examples of unique and common diseases. The setting is informal and fun. Take a page from our European colleagues and throw a pizza party while you sit back and enjoy the discussion. All you need is a computer link with audio. And, if you have a video link from your microscope to an Internet connected computer you can join the ranks of the brave presenters! We have had a great time so far and there is one more session to go this year.

More information is available at: www.asvcp.org

THANK YOU TO OUR 2019 PRESENTERS

Kirstin Barnhart
Erica Behling-Kelly
Jennifer Brazzell
Natalie Courtman
Tara Piech
Deanna Schaefer
Nora Springer
Deborah Marks Stowe
Harold Tvedten
Austin Viall
Kathryn Wycislo
Francisco Conrado
Ontario Veterinary College

THANK YOU TO OUR 2019 SPONSORS

Ontario Veterinary College, University of Guelph; Lacuna Diagnostics. Inc; Dr. Kate Irvine, Animal Health Trust, UK; Austin Viall, Iowa State University; Yemi Adedeji; Cheryl Moller, ANTECH Diagnostics; Oregon State University; Anonymous; Anonymous; Anonymous.
ISACP 2020

XIXth Congress of the International Society for Animal Clinical Pathology
Oct 31–Nov 3, 2020 | Chicago

INTERNATIONAL SOCIETY FOR ANIMAL CLINICAL PATHOLOGY
Founded in 1981 as the International Society for Animal Clinical Biochemistry
▪ Advancing animal clinical pathology research, education, and practice globally
▪ Fostering global scientific and cross-cultural collaboration and alliances
▪ Biannual Congresses
▪ Join now! www.isacp.org
  ▪ Eligible for travel grants and special events
  ▪ Serve as an ISACP Ambassador

JOIN US AT THE 2020 ISACP-ASVCP PRE-MEETING WORKSHOP
Understanding the Crucial Role of Acute Phase Proteins in Veterinary Clinical Pathology

Chairs: Prof David Eckersall, University of Glasgow
       Prof Carolyn Cray, University of Miami

IN CONJUNCTION WITH THE ASVCP/ACVP ANNUAL MEETING
