THE 28TH ANNUAL THREAT MANAGEMENT CONFERENCE AUGUST 14 - 17, 2018

CONFERENCE INFORMATION

The Association of Threat Assessment Professionals and Los Angeles Police Department Threat Management Unit are pleased to present the Twenty-Eighth Annual Threat Management Conference, designed to address major issues surrounding mass shootings and other public attacks, workplace violence, school/campus violence, domestic violence, assassination of public figures and other situations involving the prevention of targeted violence. A variety of nationally recognized speakers will give presentations on current information, research and techniques relating to the industry.

Security procedures at the conference will require a picture I.D. for picking up conference materials, and visible display of the conference badge at all sessions and events. By registering and attending the conference, attendees agree that they and their personal property will be subject to search, as requested, before or during attendance at any conference session or event. Refusal to allow the requested search will be grounds for uncompensated revocation of access to all conference sessions and events.

ATAP retains the right to refuse and/or revoke admission to any and all conference events to any person who, in ATAP's sole discretion, presents a threat of harm to themselves or others, and/or whose conduct or presence has or will cause disruption to the conference.

THE PURPOSE OF THIS CONFERENCE IS TO:

Closing Remarks

The purpose of ATAP is to provide its members training and networking for the prevention of targeted violence.

The Association of Threat Assessment Professionals is a nonprofit organization whose objective is to connect professionals and provide training in how to best prevent targeted violence attacks. ATAP's mission is to share and facilitate the experiences and techniques of professionals in the field or threat assessment and management. The Association affords its multidisciplinary membership base a professional and educational environment for the exchange of assessment and intervention strategies. ATAP's ultimate goal is to assist our members in becoming better equipped to manage threat situations and prevent violent attacks.
