**University of Nebraska Public Policy Center Conflict of Interest Policy:**

Accredited as a sponsor by the American Psychological Association (APA), the University of Nebraska Public Policy Center must insure balance, independence, objectivity, credibility, and quality in all individually provided or jointly provided educational activities.

Individuals who are in a position to control content of this educational activity are expected to disclose any relationships with commercial interest organizations that may pose a real or apparent conflict(s) of interest that may have a direct bearing on the subject matter of the continuing education activity. The intent of this disclosure is not to prevent individuals who have a significant financial or other relationship from participating in this activity, but rather to provide listeners information in which they may form their own judgments.

Please carefully review the above University of Nebraska Public Policy Center Policy on Conflict of Interest. Your completion of this form is your Declaration of Disclosure. Your signature indicates your agreement to follow the policy and disclose affiliations with companies that may have an impact on your presentation at this UNPPC CE activity.
