

ACE EXHIBIT HALL POLICY

It is our sincere hope that you enjoy this year's ACE Show. Obviously, the Exhibit Hall booths of our suppliers is a show highlight. Our suppliers depend on this show to present their products to potential customers and we need to make sure that we maximize their opportunities to do so to as many targeted people as possible.

It is in this spirit that we must have strict compliance to the following set of rules for the Exhibit Hall.

1. You are only to receive one official bag to collect suppliers' samples, and you must pick this bag up when you register for the conference;
2. Authorized bags may only be filled one time each day;
3. No other containers or methods shall be used to collect samples;
4. There will be a \$25 fee to replace any lost bags;
5. Only operators and authorized guests are eligible to participate with their bag on the Exhibit Floor. Suppliers are not eligible to participate and do not receive an official bag;
6. The ACE planning committee has the sole authority to determine the eligibility to participate on the Exhibit Floor with an official bag and has the absolute right to ban anyone from the show who is in violation of these rules.
7. ACE also has the right to ban anyone who violates these rules from attending future shows.

Again, have a great time at ACE and please follow the above rules to make the conference productive for both our Operators and Suppliers.
