What Are Your Needs?

Do you have an idea or suggestion on how ATMAE can help you or your school?

We are always looking for new ways to provide value to students. Maybe you have an idea that's too big for you or your school? ATMAE has 16 formal [student chapters](#) but we are represented in schools across the country. There is always more to be gained by working together.

Give us a call and ask for Alyssa at 630.433.4514 or email her at alyssa@atmae.org.

Stay Connected to ATMAE!

Want to stay up to date on what ATMAE has been working on for you? Interested in learning about the most recent developments in the Technology and Engineering industry?

Get your friends and follow us on [Facebook](#) and [Twitter](#) to see what's going on.

How Can We Reach You This Summer?

Stay up-to-date on competitions, webinars and conference workshops! [Log into your ATMAE account](#) to edit your profile and provide the email address that you'll regularly check over the summer break.

Are You Interested in Robotics?

ATMAE is seeking new participants for our [2016 Robotics Competition](#) during the [Annual Conference](#). This is a great opportunity for you to showcase your technical abilities, hone your presentation skills, and interact with other students and industry professionals.

Maybe your program participated in the past or maybe you've always been interested, but the program never got off the ground. [Feel free to contact us](#) - we are happy to answer your questions. All the information you need to start is available online.

Also, mark your calendar with these important dates:

Friday, September 23, 2016

Confirm Intent to Compete / Pay \$30 Team Entry Fee

Monday, October 3, 2016

Rubrics are available to all groups: Design & Construction, Controller Methodology, Fabrication/Innovation, Poster, Technical Report Judging, and Competition

Friday, October 7, 2016

Submit Technical Report via email to alyssa@ATMAE.org

Please visit our [conference page](#) for more information.

Does Your School Have an ATMAE Student Chapter?

Every year, ATMAE's Student Division recognizes the achievements of its campus [ATMAE Student Chapters](#) with an [Outstanding Student Chapter Award](#).

Does your school have one?

Outstanding Student Chapters are recognized based on their exceptional efforts to engage ATMAE, their college, and their community. Exemplary ATMAE Student Chapters provide development opportunities that support student academic and professional growth through the realization of the [ATMAE mission](#).

Job Opportunities in your Field!

Looking for your first position in applied engineering, technology or management? Want to post your resume in an active Career Center?

The [ATMAE Career Center](#) is dedicated exclusively to technology and applied engineering professionals, and it's free!

Current employment opportunities include Safety Manager, Graphics Design Specialist, Director of Operations, Project Manager, Robotics Technician, and many more. Receive automatic notifications of new jobs matching your criteria just by signing up.

Post your resume - confidentially, if preferred - so employers can actively search for you. To get started, visit [ATMAE's Career Center](#), and select 'find a job' under Industry or Academic Jobs. Good luck in your job search!

This can also be an opportunity to set yourself aside as a leader. ATMAE has a basic [checklist](#) of what is required to start a Student Chapter. Fill out the [Student Chapter Application](#) to get started today!

Give yourself a head start toward winning the Outstanding Student Chapter Award by understanding and working towards the [scoring metrics](#) (which conveniently are good for YOUR professional development). The applications won't be due until September so you have plenty of time!

ATMAE Announces the 2016 Student Competitions

ATMAE is committed to providing the most value to our student members and we are happy to announce the following student competitions that will be held at our [Annual Meeting](#):

[Student Research Competition](#)

Based on the merits of the submitted abstract, students will be selected to make 15-minute presentations of ongoing research and/or results, followed by a 5-minute question and answer session. Presentations will be evaluated based on Technical Content, Methodology, Personal Appearance, Oral Presentation, and Media - Power Point Presentation. This competition will give you valuable public speaking and presentation experience.

[Haig Vahradian Technology Challenge](#)

Test your technology, management, and applied engineering know-how in this Jeopardy-style, single-elimination competition. Race for the buzzer with questions on manufacturing, communication, construction, safety, electronics, energy, quality, and management.

[Student Workshops](#)

We have several exciting student-oriented workshops under development. Please visit the [ATMAE website](#) over the summer to stay up-to-date on all of the student workshops that will be offered at the [2016 meeting](#)!

Apex Management & Special Events, 275 N. York Street, Suite 401, Elmhurst, IL 60126
