### ATMAE: Improving What We Have and Adding To What We Don't Have

In this issue, we are focusing, once again, on the value ATMAE provides to its faculty members. As we begin the new year (ATMAE operates on a July-June calendar), I hope you are as excited as we are about continuing all of the activities you enjoy with ATMAE as well as reading (and potentially getting involved in) new projects and programs that ATMAE is offering.

### Board of Directors End-of-Year Meeting Caps off Successful Year

The ATMAE Board of Directors capped off the 2014/15 "transition year" year with a very successful board meeting. The meeting was held at the Sheraton Station Square Pittsburgh and there were quite a few comments regarding both the beauty of Pittsburgh as well as the great location of the hotel for restaurants and other activities at this year's Annual Meeting in November.

There were many successes discussed celebrated. A short listing of some of the many successes include:

### 2015 Student Competitions: Information, Events, and Deadlines

The 2015 ATMAE Annual Conference is fast approaching and here at ATMAE, we are finalizing details for all of our special events. Registration has already begun for one of our most popular events, the Student Robotics Competition. Is your robotics team participating this year? If so, make sure to keep the following information and special events in mind as you prepare.

### ATMAE Accepting Nominations for 2015 ATMAE Faculty Awards

Several prestigious awards will be presented at this year's November ATMAE Conference in Pittsburgh, PA. Awards open to faculty members include the [Faculty Excellence Award](#), and the Excellence for Women in Technology Award. The [Excellence for Women in Technology Award](#) was revised and approved by the ATMAE Board of Directors in 2014 to include Faculty members.
