Management, and
Applied Engineering

ATMAE Industry Matters

Welcome! This is a new “one stop” newsletter that ATMAE is sending only to its Industry members. It is our hope to provide you with all the information that is most important to you – and hopefully reduce the numbers of emails you receive from us overall. ATMAE is going through significant changes. One of the biggest changes is our commitment to increase value to you and your company for your support.

Looking to Fill a Position? ATMAE Career Center

Looking to attract the largest exclusive audience of technology and applied engineering

professionals? Seeking job opportunities that help you advance your career! ATMAE can help you. Whether you are looking for your first job or transitioning into a new one, ATMAE can provide invaluable access to our outstanding network of positions. Employers have access to a searchable resume database and the ability to manage on-line job postings.

This on-line resource is far more than a simple job posting page on ATMAE's web site. It affords both Job Seekers and Employers expansive tools, which make finding employment and employees much easier and faster, saving both time and money. Visit [ATMAE's Career Center](#) today.

Electronic Submission Now Available for ATMAE Senior Certified

Attention Senior Certified ATMAE Members! We want to share some exciting news about what ATMAE Staff have been working on for our Senior Certified Members in 2015! In an effort to improve member experience, ATMAE has recently completed a digitization project for all Senior Certificates and PDU records. This project now allows Senior Certified members to electronically upload and monitor continuing education credits (PDUs) and print certificate(s) at any time!
