Dr. Clois E. Kicklighter Doctoral Student Scholarship Award Program

Program Guidelines:

Funding: The funding for the Dr. Clois E. Kicklighter Doctoral Student Scholarship Award Program is provided by the interest on an endowment established by a gift from Dr. Kicklighter and from other donations to the Endowment Fund.

Scholarship Awards: Scholarships are awarded by the Foundation Board whenever interest from endowment investments is sufficient to fund at least one \$2,500 scholarship.

Program Management: The Endowment Fund is managed by the ATMAE Foundation Board. Funds are invested under the direction of the Treasurer of the Foundation in a manner that will provide the highest possible return while preserving the security of the fund.

Selection Criteria: Any student who meets the following criteria will be eligible to be considered for a scholarship:

1. Must have graduated from an undergraduate program accredited by the Association of Technology, Management and Applied Engineering.
2. Must be planning for a career in Technology, Applied Technology, Engineering Technology, or a Technology Related Discipline and been accepted in a doctoral level program designed to prepare for that career.
3. Must have exhibited leadership potential and declare an interest in providing leadership in the future at the national level.

Individuals may be considered for a second scholarship but only after the equivalent of twenty-four (24) semester hours of doctoral level credit have been earned since the initial scholarship was granted.

Selection Process: Individuals may submit applications through **September 27, 2019**. All applications will be submitted to the ATMAE national office. The scholarship awards will be announced publicly during the Friday Awards Presentation during at the ATMAE Annual Conference

Award Payment: Individuals who are selected for the award will receive their scholarship funds after the successful completion of twelve (12) semester hours, or the equivalent, of doctoral level course work as verified by the institution where they are enrolled.
