Technology,
Management, and
Applied Engineering

Kate and Cliff Strandberg Master's Student Scholarship Candidate Application Form

Application must be submitted by September 27, 2019

Selection Criteria: Any student who meets the following criteria will be eligible for consideration:

1. Must have graduated from an undergraduate Technology program accredited by the Association of Technology, Management, and Applied Engineering.
2. Must be planning for a career in Technology and been accepted or currently enrolled and attending a masters level program designed to prepare for that career. Application must be submitted prior to graduation from the master's program.
3. Must have exhibited leadership potential and declare an interest in providing leadership in the future at the national level. Consideration will be given to candidates who have been in leadership positions in ATMAE, have attended ATMAE conferences and have been recommended by a faculty member who is a member of ATMAE.
4. Must be a current ATMAE member in good standing. Individuals who are selected for the award will receive their scholarship funds after they have successfully been admitted to a master's level program and verified by the institution where they are enrolled.

Please complete the following:
