Cincinnati, OH**

MINUTES

John Wyatt, ATMAE Chair, called the 50th Annual ATMAE Business Meeting to order.

He proceeded to thank the sponsors for this year's Conference and shared with the membership several changes that had occurred – new association management and a new strategic plan. John then called on Executive Director Jim Thompson to provide several reports.

Jim updated the membership on the current state of ATMAE in the areas of finance, membership and the SocialLink portion of the website.

John also mentioned that previous minutes from the 2016 Business Meeting weren't found and that we would ensure that would not happen with 2017 Minutes.

Following the update by Jim, John then called on the various Board chairs to have them provide reports. Reports included Glenn Rettig, Accreditation and Mark Miller, Certification. Gretchen Mosher, JTMAE wasn't available.

Following a call for Division leader reports, John recognized the outgoing Board members for their service. Those included: David Brinkruff, 2-Year program representative and Erik DeVito, Industry Representative.

Next John, along with Glenn, honored outgoing directors for the ATMAE Board of Accreditation. Those honored were Ivan Mosley and John Sutton.

The ATAME Division leaders were next to be recognized.
