With laptop power outlets and USB connectivity in every seat, you can do as much or as little as you need to. Relax with hundreds of entertainment options on your 16-inch personal touch screen with its on-demand control and noise-cancelling headset. Be tempted by our delectable Rockpool-inspired menu created by renowned Australian chef, Neil Perry, with award-winning Australian wine and champagne chosen by our Sommelier in the Sky.

When it's time to rest, enjoy our duvet and turn down service, then stretch out on the fully flat two-metre long Skybed (and slip into a stylish pair of Qantas pyjamas) to arrive rested and ready for work. Before you land, freshen up with your designer amenity kit complete with Australian-made spa products. With so much on offer, it's the only way to travel for business.
