Call to Action Recognition
2022 Guidelines

The AVA Pediatric Neonatal Special Interest Group (PediNeoSIG) Call to Action Recognition will highlight and recognize an AVA member/team who has fully embodied and implemented the PediNeoSIG mission and vision at their institution. This recognition will be awarded to at least one member each year.

*Mission* is to provide an environment for collaboration, innovation, and education to improve vascular access outcomes for pediatrics and neonates.

*Vision* is a world with safe pediatric and neonatal vascular access.

Nominate your TEAM, your COLLEAGE, your FRIEND, or someone who inspires you in their clinical or scholarly work. AVA Pediatric and Neonatal Vascular Access Clinicians are SO important to our healthcare teams, and we want to recognize YOU!

**The Recognition**

The member(s) recognized for this Call to Action will have demonstrated that they have implemented a project, program, or intervention at their local institution that led to better vascular access outcomes for pediatrics and/or neonates.

The Recognition recipient(s) will be awarded a complimentary registration to attend the 2022 AVA Annual Scientific Meeting and will receive special recognition during the meeting. If a recipient is unable to attend the 2022 annual meeting, the registration may be deferred to the next year. The registration is not transferable and cannot be redeemed for cash.

**Submission Rules**

- Submissions must be submitted electronically at [www.avainfo.org/CallToAction](http://www.avainfo.org/CallToAction).
- Submissions due no later than June 9, 2022.
- The PediNeoSIG Executive Leadership Council (ELC) appoints a review team to review and score the submissions.
- Those selected for the review team may not submit or support a current year’s submission.
- Submissions are reviewed and scored based upon defined criteria listed below.
The submissions will be scored on the following criteria

- Intervention is in alignment with the PediNeoSIG mission and purpose.
- Evidence is provided to show how the intervention could be replicated and improve vascular access outcomes.
- Submission proves that the intervention has a large impact on practice for the better.

Recognition Review Process

- The PediNeoSIG ELC appoints a review team to review and score the nominations.
- Those selected for the review team may not submit or support a current year’s submission.
- Submissions are reviewed and scored based upon defined criteria listed above.
- Nominees may be recognized at a presentation during the annual scientific meeting.
- All nominees will be notified of the results no later than June 27, 2022.

How to Submit

1. Review the guidelines and criteria.
2. Collaborate with your team to complete the Submission Form and provide facts that will support each of the above listed criteria.
3. Complete the Submission Form at www.avainfo.org/CallToAction no later than June 9, 2022.

Any questions about these guidelines or how to submit can be sent to Tonya Hutchison at thutchison@avainfo.org.
