In June 2019 the AVA Board of Directors came together to update the associations strategic plan, mission and vision to reflect the current climate of vascular access.

MISSION
To lead healthcare by protecting patients and providers to improve lives

VISION
A world with safe vascular access

2020 - 2024 STRATEGIC PLAN

2020 GOAL 1:
MEMBERSHIP
Grow membership 8% annually

2020 GOAL 2:
EDUCATION
Create innovative best practice education in vascular access focused on leadership, PIV, arterial and central

2020 GOAL 3:
INNOVATION
The creation or enhancement of an intervention or a technology that gets us closer to a world with safe vascular access

In June 2019 the AVA Board of Directors came together to update the associations strategic plan, mission and vision to reflect the current climate of vascular access.

MISSION
To lead healthcare by protecting patients and providers to improve lives

VISION
A world with safe vascular access

Protect the Patient • Educate the Clinician • Save the Line
