In June 2019 the AVA Board of Directors came together to update the associations strategic plan, mission and vision to reflect the current climate of vascular access.

**MISSION**
Lead healthcare by protecting patients and providers to improve lives

**VISION**
A world with safe vascular access

**2020 GOALS:**

**GOAL 1: MEMBERSHIP**
Grow membership 8% annually

**GOAL 2: EDUCATION**
Create innovative best practice education in vascular access focused on leadership, PIV, arterial and central

**GOAL 3: INNOVATION**
The creation or enhancement of an intervention or a technology that gets us closer to a world with safe vascular access

ASSOCIATION FOR VASCULAR ACCESS
Protect the Patient • Educate the Clinician • Save the Line
